

Triple Lodge 835 to Honor Past Masters

Triple Lodge No. 835 AF&AM, will conduct its 75th annual Past Masters' observance Wednesday night in ceremonies at the Masonic Temple, 20th street and Cleveland Blvd. A 6:30 p.m. dinner will precede the program.

An address by Clinton H. Long, Hazelet, Most Worshipful Grand Master of the state of Illinois, will highlight the program which will get underway with an address of welcome by Lodge 835 Worshipful Master Raymond L. Isom.

Past masters of the lodge will be introduced, and Gene Ross will deliver the response for the past masters. John W. Barks will introduce the principal speaker and Delbert McClellan will give the invocation and benediction.

While Triple Lodge 835 was chartered in 1894, the area's Masonic history actually dates back to the early 1880's when members in the southwestern part of Madison county were members of Venice Lodge 621.

Present officers of Triple Lodge 835 are Isom; Robert Chinn, senior warden; Leon Barks, junior warden; William Mehl, treasurer; Lindsey Wright, secretary; Richard Wright, chaplain; Harold Carter, junior deacon; Lester Miller, senior deacon; Howard Bolton, senior steward; Howard Prewett, junior steward; Ronald Lybarger, marshal; Ernest Robinson, organist and Steve Krotz, tyler.

Past Masters of the lodge since it was chartered in 1894 include J. W. Scott, Frederick Kohl, E. W. Hilker, J. J. Porter, William Schildman, R. B. Scott, R. F. Beiler, Edward Johnson, G. W. Dean, R. B. Studebaker, B. E. Champion, August Kruech, Henry C. Hahn, Arthur H. Hager, Robert Dempster, Cecil L. Pointer, William L. Norvell.

Henry C. Mitchell, Harry H. Walker, James C. Corrie, Walter Elhausen, William M. Parker, Donald G. Spalding Jr., William J. Mehl, Dallas W. Miller, Paul Roseman, August Rydiger, Fred Bollinger, John H. Kenner, George W. Stearns, Wallace Hart, Herbert K. Griffin, R. E. Doolittle, Joseph B. Dempster, Alan F. Curtis.

Harry E. Reber, John W. Barks, Maynard W. Davidson, E. E. Spillers, Frank A. Perry, Robert Wallace, Royal Miller, Virgil Simpson, Ernest R. Rich, Lester R. Salem, Lee Anthony, Willard B. Simpson, Howard Almon, Tarry Thruha, Harold Seibert, Max S. Merz Jr., Howard Klaus.

Charles Chinn, Lindy Walker, John W. Hamm, Gene Ross, Roger L. Wade, Donald E. Bright Jr., Harry G. Sharp, Earle M. Stout and Paul Fraley.

Chartered in 1894, Triple Lodge 835 was organized in the spring of 1894 by all Masons living in Venice, Madison and Granite City after Venice Lodge 621 had surrendered its charter in 1886. The lodge was chartered in October the same year. Meetings were held at that time in Venice.

In 1964, a move to establish a Granite City lodge caused 16 members of Lodge 835 to demit to become charter members of the new lodge in Venice, Madison and Granite City after Venice Lodge 621 had surrendered its charter in 1886. The lodge was chartered in October the same year. Meetings were held at that time in Venice.

SIU-SW Report This Week On Use of Overhead Funds

Chancellor John S. Rendleman of SIU-SW announced Friday that he will supply a report on the use of overhead funds of the campus to Illinois Republican Senator Merrill Otteville by the middle of this week.

The senator wrote to Rendleman, "in light of the attention being focused on the public and public officials want the facts and I believe they are entitled to know."

SIU officials have pointed out that overhead funds are surpluses from administrative grants and research programs, most of which are not funded by the state. According to existing law, the funds may be spent at the discretion of the SIU board of trustees.

Fiscal experts from the office of the Illinois Board of Higher Education have just completed their investigation of authorization and funding of a new University House and guest facility at the Carbondale campus.

Richard Wagner, deputy director for fiscal planning, one of the two men sent to Carbondale by James H. Mortimer, executive director, returned to Springfield in midweek. Jerry Porter, a CPA and consultant to the Higher Education Board on fiscal management, remained through Friday.

The two talked to numerous university officials and toured the site of the new building.

University President Doyte W. Morris pledged the full cooperation of himself and all of his people in assisting the work, Porter said.

"We are gathering all information possible concerning the project—the sequence of events leading up to the actual construction, and of course, the building itself. We are pulling together all known costs to date and the estimated costs to complete the project."

Porter said he and Wagner talked with University Architect Charles Pulley, University Budget Director Clifford Burdette, Physical Plant Director Anthony Blass and others connected with the project. He expects to have a conference with SIU-SW Chancellor Rendleman, who was SIU vice-president for business affairs at the time the new facility was planned, and with Warren Buffum, director of the university's fiscal division.

Normal Bidding, Purchasing

"I understand that normal purchasing procedures were used in acquiring all materials used," Porter said, "such as calling for bids from interested suppliers."

Turning to the financing of the structure to be used as a residence for the university president and a guest house for visiting dignitaries, Porter said, "We want to get an idea of the types of contracts that generate the overhead dollars used in this project."

Legislator Assails SIU Meeting Policy

A vigorous attack on SIU informal meetings and other procedures was made Saturday by State Rep. Anthony Scarnano (D, Park Forest), sponsor of the present Illinois open meeting law. His remarks related to establishment of a home for the university president and facilities for guests at the new \$1,000,000.

Scarnano said secrecy about the project was "typical of what the president and board have been doing throughout the years." He described the structure and its cost as "what you can expect when closed meetings are held."

He said meetings were "held ostensibly for land acquisition, but this land was already acquired and owned by the university. It would seem that they could have done a vote to go ahead with the project, and that kind of action does not come under the law."

Scarnano concluded, "We are now beginning to discover why so many closed meetings are needed at SIU. It all begins to add up. Taxpayers' funds are being used, I don't care where they get it. This money belongs to the taxpayers, not to the school."

Conduct Charges Filed

Disorderly conduct charges were filed at the Tri Mor Bowl at 7:35 p.m. Saturday against Danny Jamerson, 19, of 2127 Monroe street and Fred Jackson, 19, East St. Louis. Jamerson also was charged with profanity.

Speeding Arrests

Speeding charges were filed on Edwardsville road, Granite City Saturday against Glenda Robins, 2328 Benton street, James Perdue Jr., 2113 Grand avenue, and Autral Cobb and Ernest Cobb, both of 2224 Edna avenue.

2 Local Scouts Receive God and Country Award

The coveted God and Country Award for Boy Scouts was presented yesterday to two local scouts by Rev. Arshavir Sevdalian at St. Gregory the Illuminator Armenian Apostolic Church, 1732 Maple street.

The recipients were Boys Scouts Stephen Hagopian and Stanley Manogian.

Present were Stephen's scoutmasters, Russell Lyons and Howard Roberson, both of Troop 15, and David Parrish of Troop 99, who is Stanley's scoutmaster.

The scouts' parents are Mr. and Mrs. Andrew Hagopian, 2321 Gary avenue, and Mr. and Mrs. Leo Manogian, 3233 Fehl road.

After the posting of the colors and pledge to the flag, Explorer Scout Michael Marolan recited the Scout Oath, and Boy Scout Joseph Sancier recited the Scout Law.

Arthur Bedian, chairman of the board of trustees of St. Gregory's church read a summary of the requirements for the God and Country Award, and the scoutmasters presented the youths to Rev. Sevdalian for the presentation of awards.

During the ceremony, Rev. Sevdalian blessed the awards and gave the closing prayer.

State Air Board Issues Orders, Calls Hearings

The Illinois Air Pollution Control Board on Friday issued orders against two companies.

After finding Electric Energy, Inc., of Jopka not in compliance with rules governing control of air pollution, the board referred the complaint to the attorney general's office for appropriate action. The board also issued an order that the 15th Street Auto Parts Co., St. Louis, is to cease immediately the conduct of salvage operation by burning.

James Keelmer, assistant attorney general, reported to the board on the status of action on four other cases. Suits have been filed against West End Auto Salvage, Granite City, Frank Sheppard & Son, Berlin, and Jesse Yokum Salvage Yard, Leont. A suit also has been filed against A. W. Borchers & Bath, Inc., Decatur; this suit has a motion for continuance pending.

Public hearings were authorized on: Richard Foundry, Belleville, lack of satisfactory progress toward control of a foundry process; St. Charles, lack of a satisfactory program; Airoro Iron and Metal Co., Aurora, salvage operation by burning; Alton Box Board Co., Alton, odors from a sludge lagoon; and Alton Box Board Co., Laclede Steel Co., Owensboro Glass Co., and the city of Alton, all of Alton, odors from an impounding area.

Public hearings were authorized by the board on proposed revisions to its regulatory controlling air pollution episodes and on proposed regulations governing control of motor vehicle pollution.

Nine Air Contaminant Emission Reduction Programs (CERPS) were approved and three time extensions were granted.

The approved air control programs included: Mobil Chemical Co., Fairmont City, phasing out of fertilizer ammoniator dryer-cooler, plant closed Sept. 30.

Buckler Foundry Co., East Alton, installation of air contaminant reduction equipment by Feb. 1, 1970.

Certain-Teed Products, East St. Louis, installation of two package natural gas-fired boilers by Jan. 1, 1970.

Four firms were granted variances, including Olin Brass, East Alton, one year for the purpose of burning explosives.

Ottwein Seeks to Eliminate Taxes On Food, Drugs

State Senator Merrill Ottwein (R, Edwardsville) announced Friday that he intends to work vigorously for passage of the Republican-sponsored House Joint Resolution 11 to exempt food and drugs from the sales tax. He said, "Should a surplus arise at the early part of next year, legislation should be passed in the General Assembly whereby food will be exempt from the sales tax both on the local level and on the state level."

Ottwein foresees a partisan fight over the proposal because "many Democratic leaders in both houses have indicated opposition to this method of reducing taxes, since taking sales tax off of food would affect revenues to local communities."

Sen. Ottwein added, "The Democrats have countered with a proposal to reduce the state sales tax one cent across the board. But in my opinion people would benefit by taking the sales tax completely off of food, medicines and drugs."

"To reduce the sales tax on fur coats, color television sets and automobiles would not provide people in the middle-income level with a substantial tax relief, especially by taking 5% sales tax eliminated from these purchases, it could mean a saving to the taxpayer of around \$180 per year on his food purchases."

Ottwein concluded, "In 1970, tax reform will start to take hold in the state. Personal property taxes on one auto and household goods will be eliminated under legislation passed during the spring session of the General Assembly. A Republican-sponsored bill, providing for a \$1500 homestead exemption on real estate taxes for people over 65, will also take effect."

"Eliminating the sales tax on food is one of the important remaining goals that the 76th General Assembly must reach when re-convening on April 1, 1970, and I intend to do everything possible to see that this goal will be reached."

6 Divorces, Annulment Granted Area Couples

Six divorce decrees and an annulment have been granted to Quad-City couples in Madison county circuit court. Divorced were:

Joyce Ann Brown from Buston Earl Brown, both of Granite City. They were married last March 15 in East St. Louis. Mental cruelty was charged. Her former name of Joyce Ann Pasley was restored.

Betty Mabel Hornberger from Danny Leo Hornberger, both of Granite City. They were married last July 12, and separated Sept. 24. Mental cruelty was charged. Her maiden name of Betty Mabel Bailey was restored.

Joyce Howland of Madison from Ray Howland of Vandalla. They were married April 16, 1963, at Edwardsville, and separated in September 1968. Cruelty was charged. Custody of three children was given to the mother. The matter of child support was reserved by the court.

Edward Everett from Iva Nell Everett, both of Granite City. They were married Dec. 1, 1967, and separated July 25, 1968. Cruelty and desertion were charged. Her maiden name of Iva Nell Canton was restored.

Sharon R. Neukam from Kenneth R. Neukam Jr., both of Granite City. They were married Jan. 14, 1967, in Granite City. Mental cruelty was charged. Her maiden name of Sharon Wiers was restored.

Victoria Siers from Jerry E. Siers, both of Granite City. They were married Sept. 7, 1964, and separated last Nov. 20. Mental cruelty was charged. The mother retained custody of two children, and the father was ordered to pay child support of \$30 per week.

The annulment was granted to Richard Rose, a minor, by his mother, Loretta Rose, from Linda Rose, both of Granite City. A ceremony for the couple who separated Aug. 2, was performed July 15. Linda Rose was voided because of their young ages. Her maiden name of Linda Milan was restored.

Laclede Blooming Mill Post to E.C. Phillips

Edwin Charles Phillips has been named superintendent of Laclede Steel Company's Alton plant blooming mill. It has been announced by Harold E. Hillmer, general manager, primary metals.

Phillips, 43, was works manager-production control prior to his promotion. In his new position, he will have overall responsibility for the billet yard, blooming mill and billet preparation.

He and his wife, the former Miss Ada Mae Roberts of Alton, live at 4808 Pierce lane in Glenview. They have three children, Edwin Arthur, 17, Charles Russell, 10, and Michelle Ada, seven.

Phillips has been employed at Laclede since Dec. 3, 1942.

Faces Weapon Charge

Therica Jacks, 30, of 1040 Douglas street, Venice, was arrested about 12:10 a.m. Friday by Venice police and charged with disorderly conduct and unlawful use of a weapon. Officers said they were called to the Jacks home where Mrs. Edna Jacks told them her husband had threatened her with a gun. Police said Jacks returned to his home while they were there and was instructed to turn over the weapon led an officer to the alley where he took the gun from under a trash barrel.

Injured Pilot Calls Wife from Hospital

A telephone call was received Thursday by the wife of Army Capt. Randall E. Fields, 23, who is hospitalized in Japan with injuries sustained two weeks ago when the helicopter he was piloting was shot down near Phu Bai, Vietnam.

Commenting upon happy she was to hear from her husband, Mrs. Mary E. Fields of Madison said the Army pilot confirmed earlier reports that he suffered a broken back in the mountain-side crash, but is "getting along fine."

He is undergoing extensive therapy and hopes to be transferred to a stateside hospital in 35 to 45 days time, Mrs. Fields reported, adding that "Randall said he is longing to see his baby daughter."

Capt. Fields is the father of a three-month-old daughter, Annissa, whom he has never seen.

Happiness is a doll at Christmas

ENTER OUR SECOND ANNUAL DRESS-A-DOLL CONTEST. TOGETHER WE'LL BRING HAPPINESS TO LITTLE GIRLS THIS CHRISTMAS

We have a supply of beautiful dolls which we plan to give free to as many deserving little girls as we can this Christmas. Each doll needs a dress, however and here is where you come in.

Take home a doll. They are carefully boxed for easy storage. At your convenience, dress the doll and return it to us by November 21. As a guide, we have chosen six categories that will help you decide on the type of dress or outfit to make. When all the dolls are returned judges will select the best dressed doll in each category plus a grand champion of the entire contest. There will be prizes of course, to reward the winners.

Then the dolls will be identified and placed on display for two weeks, but the real purpose, of course, is to provide as many children as possible with an exciting gift at Christmas. With your help and the help of those who will distribute these dolls, we will do just that.

Come in soon, the dolls are available for pickup now.

Apply for Passports Early, Agency Advises

Residents who are planning trips abroad during the 1970 travel season are being urged to apply for their passports early to avoid the rush.

The Chicago Passport Agency, which handles passport applications from seven midwestern states, is anticipating the largest tourist year yet. The agency handles nearly a quarter of a million applications a year, and in the spring, the number rises to more than 10,000 a week.

The agency normally needs three working days to process a complete application, and obtaining a passport may take more than a week. During the peak volume season, it can take longer. After a traveler receives his passport, he may need from two weeks to six months to obtain visas from countries he plans to visit.

The months of November, December and January have the lowest volume of applications, with the highest months being March, April, May, June and July.

Passport applications may be obtained and filled at the offices of Willard Portell, clerk of the circuit court, at city halls in Granite City and Alton and at the courthouse in Edwardsville.

Wilson Parents Begin New Year

A near-capacity crowd attended the first meeting of the 1969-70 term of the Wilson Parent-Teacher Association Thursday evening. Faculty members were introduced by Principal Ted Vrenick and two new officers were chosen.

The program opened with a flag ceremony by Boy Scout Troop 122, which led the unit in the pledge of allegiance. Prayer was given by Rev. Eugene Maritt, pastor of the Good Shepherd United Methodist Church.

The secretary, Mrs. Frances Greene, reported on the last meeting. Mrs. Dorothy Anderson, president, and Mrs. Anna Scanlon, treasurer, submitted their resignations, and Rev. Maritt was chosen as president and Cleveland Smith as treasurer to replace them. Installation of new officers will be held at the December meeting.

Vrenick introduced teachers, Mrs. Metella Mason, Mrs. Frances Lambert, Mrs. Josephine Ramsay, Mrs. Sylvia Simpson, Mrs. Melia Hentzel, Mrs. Fawntreba Pyrtle, Mrs. Behrens, Mrs. Jean Davis, Miss Carol Locke, Mrs. Kibrus, Mrs. Bonnie Paschedag, Mrs. Jewell Frizell, Miss Mary Barker, Mrs. Virginia Dickerson, Mrs. Skinner, Mrs. Julia Hansen, Miss Donna Wessell, Mrs. Sonja Schiele, Mrs. Mary Rekas, Mrs. Virginia Oram, Mrs. Wilma Bono, Mrs. Sandra Bowler, Mrs. Dine and Mrs. Constance Jenne.

Vrenick suggested that an open house be held during American Education week and it was scheduled for Nov. 19. The annual bake sale will be held at that time. Mrs. Frizell's room received an award for having the most parents in attendance.

Refreshments and a get-acquainted hour followed with the executive board members serving as hosts.

Dodd-Rajewski Vows Exchanged

Miss Carol J. Rajewski, daughter of Mr. and Mrs. Walter Rajewski, 843 Alton avenue, Madison, and Thomas E. Dodd, son of Mr. and Mrs. E. G. Dodd, 2033 Illinois avenue, were united in marriage Saturday afternoon at three o'clock. Lorton George, minister, married the young couple in his home, 2047 Washington avenue.

The bride was in a white street-length dress, with a bridal arrangement including an orchid.

Mrs. Lybarger wore a green and white street-length dress and carried gold carnations. The reception was held at the Polish Hall in Madison. The couple will honeymoon in Las Vegas, Nev.

The bride, a graduate of the Madison schools, is serving at the U. S. Army Mobility Command in St. Louis. The bridegroom is employed at Granite City Steel Co. He is a graduate of Granite City high school.

The bride's mother chose a white two-piece suit and a white carnation corsage. Mrs. Dodd wore a gold two-piece suit and a corsage of white carnations.

MRS. DANIEL E. STURMON. Her wedding took place Saturday at Christ The King Catholic Church in Springfield, Ill.

Sturmon and Lauterbach Nuptials at Springfield

Miss Sue Elynn Lauterbach, daughter of Mr. and Mrs. M. Hayes Lauterbach of Springfield, Ill., became the bride of Daniel E. Sturmon, a son of Mr. and Mrs. George G. Sturmon, 2434 Edison avenue, Saturday afternoon at Christ The King Catholic Church in Springfield.

Rev. Msgr. John W. Bretz officiated at the 2 o'clock ceremony and a reception followed at the Sheraton Motor Inn in Springfield.

The bride wore a skimmer gown of white satin, English net and Venice lace formed the yoke of the bodice and the Victorian neckline. A band of lace encircled the long tapered sleeves and a detachable Watteau train of satin was chapel length and edged with matching lace. The bride's veil of imported silk illusion fell from a triple bow of delustered satin, accented with lace medallions and tiny seed pearls. She carried a single white rose.

A sister of the bride, Miss Carole Anne Lauterbach, was maid of honor and only attendant. She was attired in a skimmer style, floor-length gown of papaya fantastic fabric. It featured a high, Victorian neckline and long sleeves. Ruffles of the same fabric, banded with bronze velvet ribbon, accented the neckline and sleeves. The softly full back was also caught with a velvet bow at the waistline. In her hair was worn a cluster of yellow Sweetheart

roses, and she carried a single yellow rose. David West was best man for Mr. Sturmon, and two brothers, George R. Sturmon and Charles P. Sturmon served as ushers.

After a trip to Denver, Colo., the newlyweds will reside at 616 S. New street, Springfield. The former Miss Lauterbach graduated from Sacred Heart Academy in Springfield, and attended Springfield Junior College. She is employed as an accountant by the Illinois Department of Public Aid.

The bridegroom graduated from the local schools, Southern Illinois University, Carbondale, and is employed as Parks Management Coordinator by the Illinois Department of Conservation.

Miss Cynthia Teaney Is Bride of Robt. Varwig

The wedding of Miss Cynthia Teaney and Robert James Varwig took place Saturday evening at St. Peter United Church of Christ.

The bride is the younger daughter of Mr. and Mrs. Donald B. Teaney, 3139 Colgate place. Mr. Varwig's parents are Mr. and Mrs. Raymond H. Varwig, 6415 Weber road, Affton, Mo.

Lighted candles in branched candelabra before the altar adorned with arrangements of white mums and entwined with smilax and white ribbon, provided the setting for the 7 o'clock ceremony performed by Dr. Robert J. Baumann.

Music was furnished by Howard Mason, vocalist, and Robert Dial, organist. The songs were "Wedding Prayer" and the Lord's Prayer.

Mr. Teaney escorted the bride down the aisle and gave her in marriage.

She was lovely in a gown of white imported nylon organza over a tulle lining. Delicate Alencon lace, seed pearls and sequins enhanced the fitted bodice, designed with a modified sweetheart neckline and elbow-length sleeves.

The controlled skirt swept into a full chapel train trimmed with motifs of lace. A pearl crown secured the bride's bouffant veil of imported silk illusion and she carried the traditional white bouquet made up of gladioli and centered with bronze cymbidium orchids.

Mrs. Michael K. Mundy, a sister of the bride, was matron of honor, and Miss Maureen Whaley of Ferguson, Mo., a cousin, and Miss Sandra Carile, a high school classmate, served as bridesmaids.

The attendants were dressed

alike in modified A-line gowns of burnt orange double knit with beige trim, elbow-length sleeves and stand-up collars. Rose headpieces were of matching material and all of the attendants carried nosegays of pom poms in autumn shades. The bouquet of the honor attendant was tied with gold ribbon and those of the other attendants had brown velvet ribbons.

Sidney Wolff was best man for Mr. Varwig, and groomsmen were Kenneth Hearst and Charles Zimmerman Jr., Douglas Teaney and William Varwig, brothers of the bride and groom, and Michael Munday served as ushers.

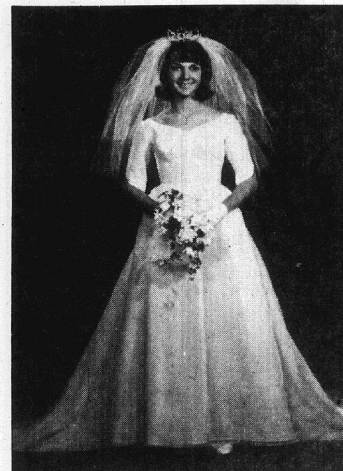

For her daughter's wedding Mrs. Teaney chose a beige dress and coat ensemble accented with fall colors and brown accessories, while the bridegroom's mother appeared in a beige brocade costume with a gold leaf design and gold accessories. Both wore rust cymbidium orchid corsages.

A reception was held in the church Fellowship Hall directly after the ceremony. The bride's table held the large tiered wedding cake surrounded with tall burnt orange tapers and autumn flowers, and assisting were Miss Patricia Hartmeister and Mrs. Don Haase, classmates of the bride at Deaconess Hospital School of Nursing.

Miss Lynne Rutherford of St. Louis, a cousin of the bride, was in charge of the register. The former Miss Teaney was graduated from Granite City high school and after completing the Deaconess Nursing School course in the early fall, was employed at St. Elizabeth Hospital here. She has accepted a permanent position on the staff of Deaconess and will assume her duties there after a brief honeymoon in the Missouri Ozarks.

Mr. Varwig graduated from the Affton, Mo., high school and is presently employed as a laboratory technician in Affton. He is a member of the Air National Guard Reserves.

The rehearsal dinner was given Friday evening by the bridegroom's parents at their home.

MRS. ROBERT J. VARWIG, the former Cynthia Teaney, who was married Saturday evening at St. Peter United Church of Christ.

Tiger Interception Dims GCHS Title Hopes, 14-13

Hope of an undisputed Southwestern Conference football championship for Granite City high school is almost gone. But a title tie is still a real possibility—if GCHS can win at Belleville West Nov. 7. On Halloween, GCHS will host a non-league foe, Quincy.

The Fighting Warrior dropped from first place in the conference standings with a 14-13 loss to the Tigers at Edwardsville Friday night.

Belleville West, remaining undefeated in conference play, downed Alton 26-16. The Maroons are 3-0, GCHS and Edwardsville 4-1, East St. Louis 2-1, Collinsville 1-3 and Alton and Wood River, each 0-4.

The Granite City passing game of quarterback Dave Evans worked for 139 yards Friday. But, with halfback Steve Ganz and tackle Jud Moore out because of minor injuries, the Warriors ground attack gained only 24 yards.

123 Yards by Bradshaw
Tiger all-star candidate Morris Bradshaw rushed for 123 yards on his team's total gain of 214 yards.

The game hinged on a Warrior conversion after time had run out. Evans had punted nine yards for a touchdown, as the final gun sounded, to Jeff Meizer in the end zone.

For the conversion, the Warriors elected to go for two points and a win rather than a one-point kick that was certain but which would have provided only a 14-14 tie.

Evans passed to Dave Meizer but Tiger Steve Schneider intercepted.

The first scoring drive began when Warrior Frank Mehelec grabbed a fumble on the Tiger 13-yard-line with less than two minutes remaining in the opening quarter. Jim Greenwald carried to first and goal-to-go on the Tiger two-yard line as the quarter changed.

Evans Scores on Sneak
Within four seconds of the second period, Evans had sneaked for the touchdown. Joe Wallace kicked the extra point and GCHS led 7-0.

With 2:16 remaining before the half, Tiger Albert Thompson recovered a fumble on the Warrior two-yard-line.

Morris Bradshaw on his third carry entered the end zone. The place kick was good to tie the score, 7-7.

Edwardsville received the halftime kickoff and started play from its own 40.

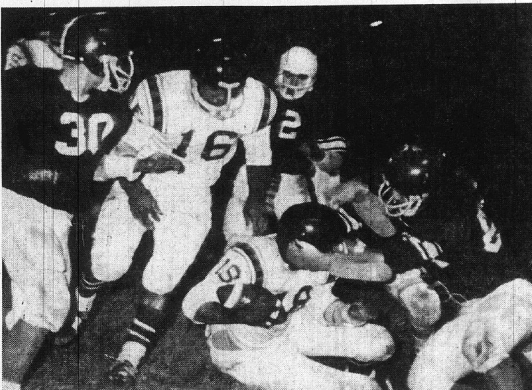

After Bradshaw and Lorenzo Lockett had ground out a first down at midfield, the next play lost a yard, followed by a 51-yard pass from quarterback Jeff Krumrich to Pat Peterson, who ran into the end zone.

The point-after boot was good, giving Edwardsville a 14-7 advantage and setting the stage for the almost triumphant Warrior rally in the closing minutes of the game.

Although disappointed at the loss, Warrior Coach Wayne Williams avoided second-guessing himself. "There was never anything in my mind, he told news-men. 'You don't play for a tie.'"

AROUND THE END goes Dwayne Shaw (21) of Madison high school. Moving to help or hinder Shaw Friday night are Stan Kemp (22), Harold Campbell (76) of MHS and Danny LaCroix (83). The Trojans won 14-10 at Dupu.

KNOCK KNOCK GAME. A Dupu defender pounds on Harold James' (18) helmet, attempting to slow down James, this region's most successful ball carrier with a rushing total for the season of over a thousand yards. John Ervin (16) of MHS is moving to aid James.

PRESS-RECORD SPORTS

Page 6 Mon., Oct. 27, 1969 Granite City PRESS-RECORD

Now GCHS will cross its fingers Friday night and hope that Edwardsville does not clinch a tie tie by defeating Belleville West.

Then GCHS would have to beat the Maroons and hope that East St. Louis does the same, meanwhile hoping that either Wood River or Collinsville had upset East St. Louis. The top four teams all remain in contention at the present.

Granite City earned 51 first downs and attempted 25 passes, completing 13 with one interception. GCHS lost three fumbles and was penalized for five yards.

The Tigers made seven first downs, rushed 163 yards, attempted four passes for the one 51-yard completion and had one interception. They lost two fumbles and had penalties for 10 yards.

Slay in Regional Pass, Kick Contest Nov. 23 at Stadium

Youths who have moved into interstate competition in the ninth annual Punt, Pass and Kick program co-sponsored by the National Football League and the Ford Dealers of America include John Slay, 16, of 2009 Manley avenue, a zone champion in his age group.

He will compete against other zone champions from Illinois and Missouri for a berth to regional playoffs Nov. 23 during half-time ceremonies at the St. Louis Cardinal-Philadelphia Eagles football game at St. Louis' Busch Stadium.

Punt, Pass and Kick competition is open to boys eight through 13 years of age. Scoring is based on distance and accuracy in punting, passing and place kicking.

The regional eliminations will be followed by NFL divisional competition Dec. 13 during the halftime of the Dallas-Baltimore game at Dallas and Dec. 14 during the halftime of the Detroit-Los Angeles game in Detroit.

The finals will take place at the NFL Playoff Bowl game at the Orange Bowl in Miami, Fla., Jan. 3.

Since its inception in 1961, PP&K has attracted more than 5,000,000 participants—from 204,790 in 1961 to more than 1,000,000 last year.

Gators Top Chiefs, Coolidge Scores 57

The Grigsby Gators traveled crosscountry to blank Pratt 38-0 and Coolidge overwhelmed visiting North of Collinsville 57-16 in football Thursday.

Gator Dave Macios drove seven and five yards and Greg Beckert rambled 65 yards for first-half TDs. All conversions were run attempts; Gary Livey successfully carried twice to leave Pratt behind 22-0.

Quarterback Clay Windfield passed 35 yards to Tim Spiker and 55 yards to Beckert for touchdowns. Don Ireland ran one conversion and Windfield passed to Denny Woods, scoring the final two points.

Prather coach Al Sonnenberg commended the efforts of eighth grade Chiefs Brad Fitzhugh, Danny Carr and Phil Shands.

Coolidge coach John Toncort summed up his team's scoring barrage with, "We had too much speed for them."

Jon Stagner showed his speed with four touchdown runs of 40, 61, 58 and 15 yards. Other fleet-footed TD scores were Dennis Revelle, Russ Robinson, Walt Milton and Kirk Hulse.

Coolidge conversions were made by: Stagner, Richard Gouy and Russ Robinson, running; a pass from Steve Ashby to Ted Giggus; and a kick by Brad Hiles.

MHS Scores in Final Minute; Near Title After 14-10 Victory

With 29 seconds remaining in the game, Trojan Harold James plunged for the winning touchdown, enabling Madison to remain undefeated with a 14-10 victory at Dupu Friday.

Now 3-0 in the Midwestern Conference to Roxanan's 3-1 record, MHS could win the championship with a victory at Roxana on Halloween night. The Trojans also are to host Bethalto Nov. 7.

The Trojans marched for a net gain of 320 yards and 14 first downs and held the Tigers to a 107-yard gain with seven first downs.

But three lost fumbles and 95 yards in penalties kept Madison from dominating the scoreboard. Madison punted three times for an average of 28.5 yards, completed three of seven passes for 49 yards, rushed 271 yards and intercepted three Tiger passes.

Dupu, with five punts, averaged 29.3 yards. The Tigers were penalized 20 yards, attempted 19 passes, completing six for 43 yards, and rushed for a total of 64 yards.

Madison received the opening kickoff and punted on fourth down. Dupu punted back on fourth down.

On the next series, Madison gained a first down and then punted to the Tiger six-yard line.

Tiger Sam Parker gained a first down with a faked punt, but the drive went nowhere.

Touchdown By James
James then did most of the ball carrying from midfield to the goal-to-go status on the one-

yard line as the first quarter ended. James dove for the touchdown.

On a fake kick, Austin Lewis passed to Willie Ackers for the two-point conversion and an 8-9 lead. Neither team threatened for the remainder of the second quarter and MHS seemed to have the game well under control at halftime.

But during the third quarter, a Trojan drive was halted on the Dupu 20 by a lost fumble. The Tigers marched to the Madison 26, and Trojan Don Franklin halted the drive with an interception.

Fumble Leads to Tie Score
Madison fumbled on the second play and Tiger Wayne Wolf scooped up the bouncing ball and ran 12 yards for a TD. Parker passed to Wolf for two more points and an 8-8 dead-end tie.

After the kickoff, the game moved into the final quarter. A Trojan fumble was followed by James intercepting a Tiger pass.

The Trojans were in punt formation on their own 15 and a high snap from center went back beyond the end zone, giving the Tigers a two-point safety and a 10-8 lead.

Madison booted an onside kick that went out-of-bounds on its own 36, but the Trojans edged over the ball after four plays.

With three minutes remaining, the Trojans moved 53 yards in eight ground plays and James ran the final yard to put the Trojans ahead to stay, 14-10. A pass conversion attempt left incomplete.

Entire GCHS Harrier Team Goes to State

For the first time in GCHS history, its entire cross-country running team has qualified for the state tournament, to be held at 10 a.m. Saturday at Cham-paign.

Coach Dick Harmon's Warriors placed third in the nine-team sectional run Saturday at Lincoln Park, Springfield.

Team scores were Springfield 53, Jacksonville 78, GCHS 83, Alton 84, Springfield 115, Quincy 161, New Berlin 161, Triad 184 and Bushnell, 251. These schools had advanced by finishing in the top three in each of three 16-team district meets. Gene Briggs placed ninth, Dan Burris 13th, Richard Ross 16th, Doug Horton 20th, Geoff Lux 25th, Scott Schneider 30th and Art Menendez, 38th.

Mike Myers, New Berlin, traveled the rolling, 21-mile course in the best time of 14 minutes, five seconds.

Park Basketball Meet

An organizational meeting of representatives of Granite City park district basketball teams will be held at the Wilson park office at 7:30 p.m. Monday, Nov. 2.

Over 1000 Persons See "Fractured Folies"

Presentation of the musical production, "Fractured Folies," presented by St. Elizabeth Hos-pital Auxiliary with a cast of over 60 local persons, was termed a success today. The performances were given to benefit the local hospital.

Attendance at Friday's show was estimated at 450, while there was an audience of 600 on Saturday night. The per-formances were given at Gran-ite City high school auditorium.

MORE ABOUT Constitution

ers in a number of sections, since voting on a single pack-age could increase the negative effect of lumping together those opposing various proposed sec-tions.

Tax, Bonding Limits

Although much of the discus-sion centered on local govern-mental forms and boundaries, the commission was told that important aspects of a consti-tution would include taxes and debt limits, residual powers and limits on special legisla-tion.

Illinois has encouraged splin-

tering of government by limit-ing the taxing and bonding power of each agency, and as a consequence it has more tax-ing bodies than any other state; it was pointed out. Writing of a new constitution offers an op-portunity to reverse this trend and make government more ef-fective and efficient, witnesses commented.

The convention also was seen as an opportunity to restore faith in government of those currently rebelling against it as ineffective and oppressive.

Economic Development

In some fashion, the state needs to gain constitutional power to back up industrial development bond issues, or fall competitively behind the 30 states which currently have such authority, it was asserted.

Those presenting testimony included Chief Judge Joseph Barr of the Third Judicial Cir-cuit, Chief Judge Richard Car-ter of the 24th Circuit, John R. Henne, executive vice-president of the St. Clair County Tax-payers Association, and William F. Hoelscher, general manager of the Manufacturers As-sociation of the Tri-Cities. Details of Hoelscher's statement are given elsewhere in this issue.

Also speaking were Mrs. Car-

olyn Chapman, a 54th Senator-ial District constitutional con-vention nominee; Dr. Leo Cohen, an SIU-SW professor and an unsuccessful "con con" candidate; Walter Moehle, ex-ecutive secretary of the St. Clair County Control Com-mission; Norman Gundlach, president of the St. Clair County Bar Association; Norman John-son, head of the SIU-SW Labor Institute; David L. Richmond, East St. Louis City director of industrial development and leg-islation chairman of the Illinois Development Council; and SIU-SW Professor Dale Berman, a constitution authority.

Edward G. Maag, East St. Louis attorney and chairman of the Madison-St. Clair counties advisory committee of the Illi-nois Urban Area Government Commission, presided.

The regional advisory com-mittee will meet and forward the testimony and its own recommendations to the state commission for submission to Governor Richard B. Ogilvie and the constitutional conven-tion opening Dec. 8.

of the worry of obtaining the funds in time to meet bills of contractors, if we were to let the contractors themselves.

The breaks include one in the 84-inch stormwater line on the Granite City Army Depot grounds. The break in that line, which serves the city of Mad-ison, is located about 300 feet east of the Madison pumping station on the riverfront. Re-PAIR cost to that line has been estimated at \$386,000.

St. Clair County Breaks

The other three breaks are in the Centerville-Cahokia san-itary lines leading to the levee district treatment plant at Cahokia.

Levee board members also approved Saturday a request that it notify the Housing and Urban Development (HUD) agency that it will negotiate with Nameoki township for treatment of sewage from a State Park Place sewer system if such a system is built.

Nameoki township has ap-plied for a grant to finance installation of a State Park Place sewer system and HUD is re-ported ready to act on the ap-plication as soon as it is as-sured treatment facilities are available to the lateral system.

The levee district would gain from 200 to 400 rental users. Also approved by the board was an Illinois Highway de-velopment plan for drainage fa-cilities for improvement of Route 203 from north of Pon-ton road to Mitchell.

The plan provides for a 60-inch drainage line along Prim-rose avenue if the city of Gran-ite City agrees to pay \$15,000 toward its construction.

Levee Vacancy Open

Miss Hotz said her office thus far has received no certification an election of a member of the East Side Levee and Sanitary district board of trustees to fill the vacancy created by the death earlier this year of Joseph Grant of Granite City.

An election for this purpose would have to be ordered by Gov. Ogilvie in a writ of election, since all levee district board members were elected in 1983 and no regularly scheduled levee district election is sched-uled in 1970, Miss Hotz said.

Madison county is allowed two members on the five-man levee district board. The other three members are elected from St. Clair county. If an election is ordered, only one board member would be elected in this county. No election would be held in St. Clair county.

Weekly Sewing Classes To Start at EOC Center

A weekly sewing class for beginning and intermediate stu-dents will be taught each Wed-nesday, starting this week, at the Madison Neighborhood EOC Center, 145 Madison avenue. It was announced today by Mrs. Ruby Williams, EOC supervisor.

Classes will be conducted at the center from 10 a.m. to 3 p.m. Wednesdays, by Mrs. Lucille Lipe of Granite City, a volunteer instructor who has the equipment picked up. Mrs. Williams advised.

Revenue

limited means of raising opera-tional funds.

First Step Toward Goal
"The distribution of funds from the state income tax has enabled us to take our first step toward that goal."

Park Forest Finance Director William J. Tollefson told Ogil-vie's office his village tax rate had also been cut by 10 cents as a result of the distribution.

Tollefson said the 1969 tax levy of \$1,892 would be lowered to 98 cents in the next fiscal year. He added.

"We had anticipated another rise in the tax rate, similar to the trend established in recent years. So the decreased rate ac-tually represents a saving of something more than the 10 cents which is readily appar-ent."

Tollefson said some of the new revenues from the state will be utilized to purchase badly-needed park district land.

In his letter to the officials, Ogilvie urged them to "contin-ually maximize the quality of services we render for the tax dollar."

"It was our hope in recom-mending this historic revenue-sharing measure that respon-sible local officials would take advantage of this new source of funds to reduce local levies wherever possible. It is encour-aging to learn these hopes are being realized by your action."

Two Arrested in Attempt to Flee Venice Police

A Florissant, Mo., motorist and a companion were arrested by Venice police on a total of five charges about 3:40 a.m. yesterday after the driver at-tempted to flee police while on the way to Venice headquarters to report a minor accident.

Police arrested John Louis Dale, 27, Florissant, and Sharon Brooks, 28, of St. Louis, a passenger in the car, after a chase in which officers over-took the fleeing car on the west end of the Broadway viaduct.

Brooks, identified as the owner of the car Dale was driving, was charged with disorderly conduct and resisting arrest. Dale was charged with disor-derly conduct, attempting to elude police and resisting ar-rest.

According to police, a car driven by Earl Davis Jr., Brooklyn, was struck from the rear about 3:35 a.m. while it was stopped for a train on Broadway at the railroad tracks. Officers said they were accompanying the drivers to the police station to make a routine accident report when the car driven by Dale, which had struck the Davis car, sped away from them, heading to-ward Madison on Broadway.

Police gave chase. When they overtook the car at the viaduct, officers reported, Dale jumped from the car and be-gan to run. He at first ignored a call to halt, but stopped after police warned him again at gun point.

Officers reported they then ordered Brooks out of the car, but that he resisted when they attempted to search him and they took him to the station for booking.

Brooks posted \$75 cash bond and Dale posted \$125 cash bond pending magistrate hearings Nov. 12.

Explorer Post to Hear

Talk by Capt. Duiko

Explorer post 104, sponsored by Madison police and the Ma-dison Lions club, will hear Mad-ison Police Capt. Frank Duiko at its meeting at 7:30 p.m. Wednesday at the Madison city hall. Duiko will discuss local law enforcement opportuni-ties and problems and the gen-eral functioning of a police de-partment.

Quadrant high school boys in-terested in learning about var-ious phases of law enforcement will be welcome. For its last meeting, the post visited the St. Louis District Five police headquarters, accompanied by James Perdue, Matt Ozanich and Mick Strang, and studied fingerprinting.

Constitutional Changes on Local Government Proposed

Changed language in the Illinois Constitution to help meet the needs of this region was proposed Thursday by William F. Hoelscher, general manager of the Manufacturers Association of the Tri-Cities and secretary-treasurer of the St. Louis-East Side Traffic Conference.

His recommendations were submitted to the Illinois Urban Area Government Commission's Regional Advisory Committee, which conducted a public hearing at SIU-SW.

He urged constitutional, legislative and civic action in the following fields:

"1. We must erase our poor labor image. As this statement refers to industrial or construction operations, the facts are so well known as not to bear repeating here.

"What is required is a workable solution. At the moment, a labor union in Illinois is not a legal entity which can sue or be sued. Numerous other archaic so-called protective labor laws exist on the books for no good purpose.

"In the public sector, that is, in the municipal school district special employees, the most serious problem is on the rise. True collective bar-

gaining is not possible between governmental agencies and their employees for a host of reasons.

"In order to guarantee public employees fair treatment and still maintain the viable nature of our governmental units, constitutional or state legislation is required which will give public employees collective representation and proper wage, salary and fringe benefit levels - while at the same time forbidding strikes and other disruptions of essential public services.

"What I envision is a state-enacted and governed civil service for local governmental employees.

Road, Airport Issues

"2. We need to continue the improvement of our transportation system. In a growing metropolitan area, a federal highway fund freeze is unthinkable, yet, it has existed here for two years.

"The relationships of federal, state and local governments in this matter obviously need improving.

"A second primary metropolitan airport should be constructed on the east side to serve the entire metropolitan area.

"The improvement of our river dock facilities and rail road switching yards must be continued. Governmental as well as private action in these regards is required.

"3. Continued emphasis must be given to education. Although SIU-SW has greatly aided advancements in the local levels of education, the rapidly improving technology of our heavy industry requires a continuous educational upgrading of our existing work force, and a vocational technical education program of considerable magnitude is required.

Doctor Shortage Cited

"We are also in desperate need of a state medical education institution which can aid in the improvement of the physician-to-patient ratio, which indicates that we have only half the number of physicians to serve our population as exists in the northern part of the state.

"A study made in 1964 by Southern Illinois University entitled 'Number, distribution and age of physicians in Southern Illinois' indicates that there are 756 persons per physician in the 71 counties of northern Illinois.

"There are 1443 persons per

Leaves Drive, Collides

Jan Noreen Knowles, 3227 Maryville road, drove out of her driveway and struck the left rear of an auto driven by John P. Barham, 3217 Wilshire drive, at 3:45 p.m. Thursday.

Girl Receives Treatment

A Granite City girl, 17, received emergency treatment at St. Elizabeth Hospital at 11:35 p.m. Thursday after taking an overdose of about 15 aspirin tablets.

County experienced an increase in assessed valuation of over 100% and an increase in tax rates of 187% for a total increase in actual tax dollars paid of nearly 300%.

"The city of Granite City assessed valuations increased 238%, and rates increased nearly 300% for a total increase in tax dollars of more than 900%.

"This kind of a local tax burden is continuing to increase without serious effects on the local economy and population.

"Taxing Self-Defeating. The tax policy of state and local government which has been in a condition of flux some time must be clarified.

"Recent and proposed items of legislation and court decisions involving sales, use, income and property taxes have clearly bent many constitutional principles out of line and put local tax units in a state of quandary.

"Whatever changes are made in the constitution or legislation to the revenue article should maintain the principle of uniformity among all classes of taxpayers.

"It is shortsighted to attempt to load business and industry with individual, civic and tax burden, as industrial development and business activity will be thus hindered and the ultimate burden on the citizen greater than before.

"Local government units must remain creatures of the state with their tax powers clearly outlined and specific maximum tax limits determined.

"Although tax sharing for local units from the state income tax is to be encouraged, local governments should not be given the power to add additional franchise or income taxes.

"The constitution and legislation should continue to compel greater citizen participation in local government through election of officials and referendum issues on public expenditures; and such local units should be required to give full disclosure and audits of public expenditures.

"Preoccupation in North. The preoccupation of our state government with its northern city areas, though understandable, must be at least partially interrupted to give closer attention to the needs of the developing southland.

"The establishment of additional downstate administrative offices and institutions can, no doubt, bring about such improvement.

"The total job to be done boggles the mind but there are many hands to do the work. The state's leadership and constitutional and legislative encouragement can see the job through," Hoelscher concluded.

John R. Turner, 71, Dies Visiting Sister

John R. Turner, 71, of 2544 Cleveland blvd., died suddenly Thursday, following an apparent heart attack while visiting the farm home of his brother-in-law and sister in Caledonia, Mo. He had been under a physician's care for a heart ailment.

A native of Belgrade, Mo., Mr. Turner formerly resided on the farm property now owned by his sister, Mrs. Cassie Hocking, and her husband, with whom he was staying for a short holiday last week.

A family spokesman said Mr. Turner had left the house to stroll through the fields Thursday afternoon. When he failed to respond to a dinner bell about 6 p.m., a search was made. He was found beneath a tree, where he apparently had stopped to pick persimmons, the family said.

Mr. Turner had officially retired about six years ago, after a much-traveled career as service engineer for Universal Oil Products. He was retained by the firm in the capacity of consultant to assist in establishing new refineries. As an engineer with the oil company, he had worked in several South American countries and other areas of the world. He was a member of the Baptist Church.

Surviving are his wife, Mrs. Alta (Matthews) Turner; one daughter, Mrs. Esther Schoop of Wauwatosa, Wis.; a son,

Require by Law

Hospital Fee under Medicare To Go Up \$8 next Jan. 1st

Older people who enter the hospital under Medicare next Jan. 1, or later will be responsible for an additional \$8 of their hospital bills, a mandatory increase required by law.

The increase results from a provision in the law requiring an annual review of hospital costs under Medicare, and an adjustment of the portion of the hospital bill for which Medicare beneficiary is responsible if these costs have risen substantially.

Medicare now pays all but the first \$44 of a Medicare beneficiary's hospital bill in each spell of illness.

In announcing the increase in the deductible amount from \$44 to \$52, Brasher, manager of the Social Security office, noted that the hospital bill for an average stay by a Medicare beneficiary now runs about \$700.

"The increase of \$8 that a Medicare beneficiary will pay in his hospital bill effective in January," Brasher said, "is a result of the long term trend

toward increasing hospital costs and also, of course, results in part from the general inflation that has been taking place.

"The Administration," he said, "is committed not only to bringing the general inflation under control but to working with the health community, insurance carriers and others so that the consumer will get more for the health care dollar."

The hospital deductible amount, Brasher explained, is intended to make the Medicare beneficiary responsible for expenses equivalent to the average cost of one day of hospital care. It is similar to the deductible amounts provided in many auto insurance policies where the car owner pays the first \$50 or \$100 of a repair bill, and the insurance company pays the rest.

The law states that if this annual review shows that hospital costs have changed significantly, the hospital deductible must be adjusted for the following year, with any necessary adjustments made in 4 steps — to avoid small annual changes.

Brasher said that when the hospital deductible amount is changed, the law requires comparable changes in the dollar amounts that a Medicare beneficiary pays toward a hospital stay of more than 60 days, or a post-hospital extended care stay of more than 20 days. These amounts also will go up beginning Jan. 1, 1970.

When a Medicare beneficiary has a hospital stay of more than 60 days he will pay \$13 a day for the first through the 90th day, up from the present \$11 per day. If he has a post-hospital stay of over 20 days in an extended care facility, he will pay \$6.50 per day toward the cost of the 21st day through the 100th day, up from the present \$3.50 per day.

If he needs to draw on his "lifetime reserve," the reserve account a beneficiary can draw upon if he ever needs more than 90 days of hospital care in the same benefit period, he will now pay \$26 for each day used, instead of the present \$22 per day. For Medicare beneficiaries who enter a hospital before the end of this year, the hospital deductible amount will be \$44 rather than \$52, Brasher pointed out.

Also, the dollar amounts they will pay toward the cost of a hospital stay of more than 60 days or for post-hospital extended care more than 20 days will be payable at the present rate—even though the services may be provided in 1970 rather than in 1969, Brasher said.

ADVERTISING AWARD presented to H. E. Duncan, left, promotion and planning manager for Union division, Miles Laboratories, by Robert J. Clark, district sales manager for Food Engineering magazine.

Advertising Award For GC Union Division

The Union division of Miles Laboratories has received an advertising award from Food Engineering magazine for having the ad with the highest readership in the trade publication.

Union competed with major suppliers to the food industry in winning the award.

The division is a major producer of corn syrup, corn starch, citric acid and caramel color used principally in the preparation of food and beverage products.

Miles Laboratories operates world-wide with a broad range of well-known products, including vitamins and salts. Less well-known to the public are its medical diagnostic reagents, biochemical research products, pharmaceuticals, laboratory equipment and enzymes.

Edwardsville Boy, 13, Shot in Hospital Here

Robert Skaggs, 13, of Edwardsville, was in fair condition during the weekend at St. Elizabeth Hospital where he was taken after being shot in the chest with a .22 caliber pellet pump gun last Tuesday in Edwardsville.

Police said he was shot by a friend, 16, from an upstairs window as the boy was approaching the friend's home. The youth had intended only to scare the boy, police added. Young Skaggs first was taken to St. Joseph's Hospital, Highland, before being transferred here.

Daughter Born to Former Residents

Mr. and Mrs. Robert Summers of St. Louis, former Granites Cityans, are announcing the birth of their first child, a daughter, Oct. 23 at Jewish Hospital in St. Louis. The new arrival weighed seven pounds, 11 ounces, and has been named Christina Marie.

The grandparents are Mr. and Mrs. Joe Summers, 2825 Dale avenue, and Mr. and Mrs. Roberto Pranzita, Rome Italy. Mrs. Pranzita is expected here this week to be with her daughter and family, and Pranzita will join them next month. The couple visited here two years ago.

Truck Hit at Crossing

Dixon May Announce Campaign Plans Soon

Speculation is growing that State Senator Alan J. Dixon (D, Belleville) will soon announce his candidacy for the Democratic U. S. Senate nomination. He was endorsed Friday by party officials in the 14-county 23rd Congressional district, following similar actions in the 21st and 24th districts.

The three districts cover all of southern Illinois and part of the central area. Individuals endorsing Dixon rather than State Treasurer Adlai Stevenson III to seek the seat now held by Senator Ralph T. Smith include Secretary of State Paul Powell, Democratic House Whip Clyde Chaste of Anna, Cong. George Shipley of Olney and East St. Louis Mayor Alvin G. Fields. Dixon met with Chicago Mayor Richard J. Daley last week.

Fluoridation Hearing

Associate Circuit Judge I. H. Streep of Alton on Friday took under advisement a request for reconsideration of his earlier ruling that an anti-fluoridation suit was without cause due to water fluoridation validly being established in previous court tests.

The Illinois Pure Water Committee, which seeks to stop the state from enforcing the law requiring fluoridation of water supplies, alleges there is new scientific and legal evidence.

Miss Corzilius Swims In College Water Fete

Miss Karen Corzilius, a daughter of Mr. and Mrs. William Corzilius, 2100 Lindell Blvd., participated in the annual "Dad's Weekend" water show at Monicote College, Godfrey, Saturday.

The show, entitled "Hi Dad, Watch What's Happening," included synchronized swimming, an exhibition of lifesaving skills, medley races and diving. It was produced jointly by the swimming classes and the Martin Swimming Club.

More than 250 guests were entertained for the weekend. Activities other than the water show included a drama production, an equitation show, a faculty reception, residence hall open house and a Coronation Ball for the "Ideal Daughter."

Downtown GC Halloween Parade Set for Friday

Gaily-dressed Halloween masqueraders, both young and not so young, will once again have an opportunity to compete for cash awards when the traditional Halloween parade through downtown Granite City starts at 7:30 p.m. Thursday.

Co-sponsored by Granite City Lodge 272, Loyal Order of Moose, and the Downtown Granite City Shopping Center Merchants, the annual event is expected to attract hobgoblins, witches, spooks and monsters, together with a colorful assortment of "out of this world" characters who have appeared on the scene the past few years.

Edward Chastain, Moose civic affairs chairman and parade marshal, today announced the marchers will assemble in front of the city hall and proceed east south on State street to 18th on Niedringhaus avenue to State street, west on 18th to Niedringhaus then east back to the city hall where masqueraders will pass in review for the judges.

Those taking part in the parade will be eligible for cash awards in three categories—best dressed, most comical and most original, Chastain said. Cash prizes of \$10, \$6 and \$4 will be presented to the top three winners in each division, with an additional 40 consolation prizes also to be awarded.

Members of the Women of the Moose, Chapter 247, will assist the lodge members in distributing numbered tags to the marchers for identification in the judging contest.

Children and adults attired in costumes are to gather in front of the city hall at 7 p.m. Thursday, when the tags will be assigned, with the parade starting promptly at 7:30 p.m., Chastain advised.

The Moose official reminded parents of youthful trick-or-treaters to make certain their children can see and be seen while Halloweening.

Those marching in parade will experience no difficulty as traffic is halted and a careful eye is kept on the younger children, Chastain said.

However, youngsters trick or treating in darkened neighborhood areas or walking to and from the downtown parade should be instructed to remove their masks while crossing streets so their vision will not be obstructed, he stressed.

Jury Trials Scheduled Nov. 10 for 3 Area Men

Jury trials were set for the week of Nov. 10 for three area defendants who pleaded innocent to felony charges at arraignment last week in circuit court. They are:

Roger Dale Wallace, 21, of Granite City, charged with armed robbery Oct. 3 at Emmett's market.

James Leroy English, 23, of Granite City, charged with burglary and unlawful use of a weapon Oct. 12 at the Olympic service station.

David Harrison, 22, of Stallings Park, charged with attempted burglary at Oscar's service station on Oct. 15.

James Billeh, 21, of Granite City, arrested with him, failed to appear for arraignment.

Announce Birth of Son

Mr. and Mrs. Neil Dettwiler, 2444 Wilson avenue, are announcing the birth of a son, Neil Douglas, at St. Luke's Hospital, St. Louis, Oct. 13. The baby's grandparents are Mr. and Mrs. Robert Love, 2828 Marshall avenue, and Mrs. William Dettwiler, formerly of Granite City and now of Troy.

K. of C.'s Announce Events for November

Four events for November for members of Tri-City Knights of Columbus Council 1088 were announced by John Trittschuh, general program chairman, and Michael Schuler, grand knight, at a meeting Thursday night.

A sing-along will be held from 8:30 p.m. to 12:30 a.m. Nov. 14 for members and guests. Folk songs will be shown on slides, with three vocalists providing accompaniment. There is no admission.

A panel discussion on the liturgy and changes in the church and the Mass will be held Nov. 21. Principal speaker will be Rev. John Franklin of Charleston, formerly of Granite City. Wives and guests are invited.

The council's annual memorial service for deceased members will be held at 7:30 p.m. Nov. 24 at St. Joseph's Church, with the ceremonial to be interwoven into the Mass.

A statewide membership drive will be conducted at all Catholic churches at all Masses on Nov. 9.

The council voted to sponsor parish priests wishing to attend at a \$10-a-plate luncheon to be held Nov. 19 by the St. Louis Metropolitan Area Chamber of Commerce which is to present a valor award honoring area police officers for meritorious services. Several council members are to attend.

The council renewed its annual membership in the Granite City High School Band Parents Association.

Initiated into the admissions degree during the meeting were Harry Smith, James Beasley, James Dutchik and Max Heinz. The knighthood degree is to be conferred on Dec. 7 at Springfield, Quincy and Teutopolis.

A framed certificate will be received from the shrine of Our Lady of the Snows in response to the council's request.

Pollution Enforcement To Be Speaker Topic

James Keelner, assistant attorney general of Belleville recently named chief of the Southern Illinois Pollution Enforcement division for the state, will be the speaker at a meeting of the Southwestern Illinois Conference of Mayors Wednesday night.

The dinner session will be held in Fischer's restaurant, Belleville, starting at 7 p.m. Keelner is to speak on pollution enforcement plans in Southern Illinois.

The agenda also includes a film presentation by M. Dickens of Albatross Gyro-mat, Belleville, Inc., on a safety unit that helps keep a vehicle under control at all times.

Optimist-Sponsored

Registration Opens for Defense Driving Course

A defensive driving course, taught by the Safety Education Division of the Illinois State Police, will be offered to licensed drivers in the Quad-City area in a series of four classes, beginning Tuesday, Nov. 4.

One of its types to be given in the local area, the course will be sponsored by the Granite City Optimist Club, under the chairmanship of Robert Braye. The program consists of eight hours of instruction, presented in segments of two hours each. Classes will be held on four consecutive Tuesdays, starting Nov. 4, from 7 to 9 p.m., at the Drivers License Examining Station, 1815 Edison avenue. Participation will be limited to 75 persons.

Advance registrations are now being accepted by Thomas Hundley, at Hundley Pontiac, 877-1946, or Jerry McDonald, at Granite City Trust & Savings Bank, 876-1212, the project chairman said.

Noting the instruction is designed to promote defensive driving and refresh drivers with "Rules of the Road," Braye said those taking part will more easily pass the Illinois drivers test which is now required every nine years. A \$1 fee will be charged for course materials, he explained.

Participation is open to any licensed driver, men and women, regardless of age. Illinois State Police Sgt. Harold Schwertfeger will serve as instructor.

Madison Church Sets Smorgasbord Nov. 2

The Sacred Heart National Catholic Church of Madison will hold its annual smorgasbord from 11 a.m. to 6 p.m. Nov. 2 at the Madison recreation center.

Featured entrees will be shish-bab, fried chicken, pig-in-a-blanket and roast beef. A variety of relishes, salads, vegetables and desserts will be available.

The event is headed by Lawrence Wyatt, chairman of the planning committee. The pastor is Rev. Edwin Philip.

\$50,000 Suit Filed Against GC Steel Co.

A suit for \$50,000 has been filed for Lawrence W. Kolo against Granite City Steel Co. in Madison county circuit court in Edwardsville.

According to the complaint, Kolo was playing softball on a company owned diamond near the firm's blast furnace division on June 7, 1968, when he stepped in a hole and injured a leg. Negligence was charged as the cause of his injury in the ground and the diamond was sought.

General Steel Income Plateau, Sales Gain Cited

General Steel Industries, Inc., had net income of \$664,000, or 26 cents per share of common stock, for the third quarter of this year, compared with \$682,000, or 27 cents per share, in the third quarter of 1963. It was announced Friday by W. Ashley Gray Jr., president.

Sales in the third quarter were \$41,546,000 compared with \$21,301,000 in the same period a year earlier.

The third quarter's results brought GSI's sales for the nine months ended September 30 to \$127,712,000 and net income to \$2,975,000, or \$1.18 per common share, compared with sales of \$84,733,000 and net income of \$2,973,000, or \$1.19 per share, in the first nine months of 1963.

Higher Costs Noted

GSI's third-quarter earnings were reduced by the impact of increased labor costs, higher prices for raw materials and supplies, and a slowdown in business in some sectors of the economy," Gray said.

"The government's efforts to curb inflation began to have an effect in several of the industries served by our Castings and Standard Pipeprotection Divisions."

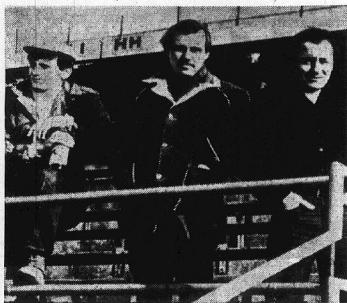

Gray said GSI's fourth-quarter sales and earnings "will be lower than the third, but results for the period will, of course, be better than the fourth quarter of 1963, when the company operated at a loss because of strikes at three divisions."

Operating Problems Here Gray reported that operating efficiency and profit at GSI's Castings Division plant in Granite City had been adversely affected "by a continuing shortage of skilled manpower, typical in the metalworking industry throughout the country, and low productivity in some departments. Several positive steps have been taken to correct these problems."

The St. Louis Car Division will complete shipments on all transit cars now in production during the fourth quarter this year, Gray said.

However, this division was recently awarded a \$37,800,000 contract for the production of 123 double-decked, air conditioned commuter cars for the Chicago South Suburban Mass Transit District, with shipments of the first cars to begin in the fourth quarter next year.

The Car Division will also enter a bid Oct. 31 on 250 to 350 new rapid transit cars for the

5 Appointments Made to SIU-SW Fine Arts Faculty

Five new appointments to the Fine Arts Division faculty at Southern Illinois University-Southwestern, have been approved by the board of trustees.

Included are four in music and one in Speech and theater. Additions to the music faculty are Daphne Spottiswoode, visiting professor of piano; Elteen McMillan, visiting professor of music education; David Ferguson, assistant professor of piano; and Nancy Vang, instructor in music education.

A former member of the Royal Academy of London, England, Miss Spottiswoode has concentrated extensively in Europe. She has taught at the Royal Manchester College of Music in England, where her colleagues referred to her as "a born teacher." Miss Spottiswoode studied with Franz Reizenstein in London and with Lazare Levy in the Paris Conservatory. She replaces Ruth Sienkowsky, a n. sabbatical leave this year.

Miss McMillan, who retired this summer as professor of music education at the Boston University School of Fine and Applied Arts, received her master's degree and doctorate from Columbia University. She has served as workshop clinician for the National Music Education Association and has taught at Miami University in Oxford, O., and at Western Washington State College in Bellingham.

A former member of the Central Connecticut State College faculty, Ferguson received her master's and doctorate from Columbia. He has also studied at the Vienna Academy. Ferguson was at one time field editor for the Wadsworth Publishing Co. in San Francisco and a teacher at Del Mar College in Corpus Christi, Tex., the University of Denver and Columbia.

Former Kodaly fellow at the Liszt Academy of Music in Budapest, Miss Vang was choral director at Princeton (Ill.) high school before joining the SIU staff. She was also soloist at the Winnetka Congregational Church. Miss Vang received her master's of music degree from Northwestern University and has done additional graduate work at Indiana University.

Dan R. Salden of the speech and theater faculty has been a special doctoral assistant at SIU, Carbondale, since 1966. He received his master's degree from the University of Akron, where he was a teaching fellow. He is a former speech instructor at San Antonio College and from March, 1964, to June, 1966, was a captain with the Fourth U. S. Army Medical Laboratory at Ft. Sam Houston.

Alvin Broadway, 79, Retired Farmer, Dies Alvin Broadway, 79, Route One, Golconda, Ill., brother-in-law of Mrs. Maggie Broadway, 1959 Missouri avenue, died at 11:30 p.m. Thursday at the Arthur Nursing Home, Arthur, Ill., where he had been a patient several weeks. He had been in failing health for two years.

Born in Pope county, Ill., he moved to Golconda 39 years ago. He was a carpenter and farmer before retiring.

A bachelor, he is survived by the sister-in-law and two sisters, Mrs. Lloyd (Zada) Cross, East St. Louis, and Mrs. Carl Eva Cross, Harrisburg, Ill. His brother, Frank Broadway of Granite City, died in December 1967.

His remains were brought here for services at 1 p.m. today at a Granite City funeral home, with burial at St. John's Cemetery. An obituary notice is given elsewhere in this issue.

Poet Authors to Read At SIU-SW Wednesday

Three poets will read from their book "Apple Wine" at 2 p.m. Wednesday in the Communications Building theater at Southern Illinois University-Southwestern campus.

They are Edward Bonetti of Provincetown, Mass., and Columbia, Mo.; Jerry Dethrow of Columbia, and James Taylor, graduate student and teacher at SIU-SW.

Their reading at SIU-SW will mark the date for the second printing of "Apple Wine." Autographed copies will be available. The Library Journal, which reviewed the book in its March issue, described the contents written by the three poets as "the ferment from the fallen apple of good and evil."

The three poets are being presented under the sponsorship of the Artist-Lecture Series. The program is open to the public without charge.

Home, Two Trailers Among New Building

A home and two trailers were among seven building permits issued for new construction in Granite City last week. Values totaled \$29,100. It brought the activity so far this month to 25 permits at \$47,575.

Obtaining a permit to erect a home at a cost of \$17,000 was Michael Voorhees at 3244 Newell drive. Permits for trailers were issued to James Vaughn, 2605 East 23rd street, at a cost of \$6,900, and to G. Aycock, 2832 Cayuga street, \$100, to replace one already there.

Other permits were issued to James Dimitroff, 2548 Edison avenue, a garage, \$1200; Clifford Stephens, 2006 Garfield avenue, erect a porch, \$300; John Luckeath, 2623 Washington avenue, repairs, \$700; and Dr. Ciro Gonzales, 13 Terrace lane, remodeling, \$1890.

A permit to raze a garage at a cost of \$25 was issued to Kenneth Thomasson, 2418 East 25th street.

Ticket Three Drivers On Muffler Charges

Police made three arrests Friday afternoon in a drive against autos with improper muffers or no mufflers.

Robert W. Stevens, 3003 East 23rd street, was arrested at 12:50 p.m. at Nameoki road and Madison avenue. Police arrested Edward E. Franko, South Roxana, at 12:15 p.m. at Nameoki road and East 27th street and Leroy Tidwell, Rural Route One, at 12:30 p.m. at Nameoki road and St. Clair avenue.

Tidwell also was charged with careless driving. Police also arrested John R. Young, 2917 Forest avenue, at 7 p.m. Friday for speeding on St. Clair avenue. Gary K. Robinson, Bend Road, was ticketed for careless driving at Madison avenue and 27th street.

"CERTIFICATE OF MERIT for Saving a Human Life" being presented to Jon R. "Reggie" Teague (left) by Gilbert Watson, co-chairman of the advisory council, for the International Supreme Council, Order of DeMolay. The presentation was made last week at the Masonic Temple. Teague was honored for saving the life of a swimmer, Harvey Leonard, at the YMCA pool on April 1, 1967.

TREASURY AWARD. Harry Wood (left) area manager of the U. S. Treasury Department's savings bond program, and Henry D. Karandeff (right), chairman of the Madison county savings bond program, present the Minuteman Flag with one Gold Star and one White Star, the Secretary of the Army Award, and the Minuteman Award to Col. Ned R. Dickson, commanding officer, Granite City Army Depot, and Mrs. Pauline Weir, Depot savings bond officer. The flag was given to Depot personnel for maintaining 91.8% average participation in the program for the past six years. This is the seventh consecutive year the Depot has received the Secretary of the Army Award, and the tenth consecutive year it has earned the Minuteman Award.

Local Chamber of Commerce Annual Banquet Tomorrow

An outstanding public speaker, an installation of new officers and unveiling of the winning entries in a flag designing contest for local high school students are among the highlights planned for the Tri-Cities Chamber of Commerce annual banquet, set for 6:30 p.m. tomorrow.

More than 300 reservations have been received by the local chamber office for the annual dinner, slated to take place in Meridian Hall at the Southern Illinois University-Southwestern campus University Center.

Special shuttle buses will transport Chamber members, wives and guests from Parking Lot Nine on the campus to the University Center and return them to the lot after the program, Howard Kaseberg, chairman of the Annual Meeting Committee, has announced.

City Flags to Be Shown Adding to the festivities of this year's Chamber banquet, will be the first unfurling of three flags selected as future pennants of the cities of Venice, Madison and Granite City.

The flag designs, created by students in the three high schools, where the winning entries in contests conducted over the past several months.

The winners, one from each of the three school districts, will receive a \$50 U.S. savings bond and official recognition from the city councils.

Spearheaded by the Chamber's Image Improvement Committee, under the chairmanship of Barry Loman, assisted by E. R. Harter, the flag design program was developed as part of the Chamber's area image improvement campaign.

Hundreds of entries were submitted to art instructors at the high schools, where the winning designs were judged last week. The three top pennants selected will be formally presented this evening to the municipal government bodies of Granite City, Madison and Venice.

The quest for a city flag for Granite City was initiated last May when a young serviceman in Vietnam wrote Mayor Don Parney requesting a city pennant to fly atop his Army personnel carrier.

The soldier, Specialist Four Garry W. Barron, 20, son of Mrs. Melvin F. Penberthy, 2920

Forest avenue, was sent a city vehicle sticker when it was realized no city flag existed.

The serviceman's request started a sequence of events leading up to the Chamber project, which will culminate in new city flags for each of the local cities.

Dr. McFarland to Speak Principal speaker at tomorrow's dinner will be Dr. Kenneth McFarland of Topeka, Kan., guest lecturer and consultant to several major corporations, author and former school superintendent.

The recipient of numerous awards, the widely-known orator has been frequently referred to as "America's No. 1 public speaker."

Albert H. Froemling, new Chamber president, and Clifton E. Blankenship, retiring president, will discuss future plans and activities.

New C. of C. officers to be installed with Froemling for 1969-70 include Bill H. Terrell, Melvin L. Gilie, vice-presidents, and Barry Loman, treasurer.

Shnollifting Clinic Planned on Wednesday

A clinic on problems concerning shoplifting will be conducted at 10 a.m. Wednesday in the YMCA under the sponsorship of the Chamber of Commerce of the Tri-Cities.

A panel discussion will be conducted, and panelists will include Chief of Police Roland Veizer, Detective Sgt. Joseph Nemeth, Assistant State Atty. Robert Trone and Magistrate William Johnson.

The program also will include a film, "The Million Dollar Heist," dealing with the tremendous loss of dollars through shoplifting.

All retail merchants and their employees are being urged to attend the one-hour clinic. The chamber's retail committee headed by Morris Helman is in charge.

Shrine Administrator

Russell J. Maxwell, East St. Louis photographer, will become administrator of the Aina Temple when Robert F. Miller, a past potentate, retires as the recorder Nov. 7. Maxwell has been publicity director of Aina Temple for many years and is editor of its monthly bulletin.

Driving Charge Filed

Larry R. Butts, 1737 State street, was charged with careless driving at 4:25 p.m. Thursday at 21st and State streets.

State Officials Differ On Lake Pollution Suit

Anti-pollution procedural differences between Governor Richard B. Ogilvie and Attorney General William J. Scott widened on Friday.

The governor urged Scott to file a comprehensive suit against Wisconsin, Indiana, and Michigan in the U. S. Supreme Court "to save our lake now." Chief defendants would be the three Lake Michigan states and "the major industries and municipal corporations responsible for wanton pollution."

The governor asserted, "If we do not stop the empty rhetoric, the foot-dragging, the confusion and the uncoordinated efforts of the past, irreparable harm will be done."

Scott said he favors cooperation with neighboring states rather than a court action. He commented that suits filed against sister states historically have resulted in many years of litigation.

After a conference Friday with attorneys general of Missouri, South Dakota and Minnesota, Scott remarked that some of the worst polluters are federal government agencies, such as Fort Sheridan and the Great Lakes Naval Training Center.

Ogilvie said in a letter to Scott that "to place this urgent matter within the jurisdiction of the nation's highest court, we must name the offender states. I have high regard for the governors of these states, and Illinois is far from blameless in the deadly poisoning of Lake Michigan. But this is the course we must take to get action now."

"Our enemy is pollution, not our sister states, our industries or their or the municipalities. All contribute to pollution. The self-interest of all dictates their joining the fight for a victory over pollution. Water pollution is a toll in beauty and human dignity and threatens future economic health."

Chief Veizer Advises

Prepare Vehicles Soon For Bad Winter Driving

Chief of Police Ronald J. Veizer expressed concern today over upcoming problems of keeping Granite City's emergency services operating efficiently during the winter months ahead.

According to the chief, whether a badly needed public emergency vehicle gets through often depends on a private auto's "go-power," rather than its own.

"It should be obvious that snowy or icy roads can bring traffic to a standstill," Chief Veizer pointed out, "as traffic becomes hopelessly snarled because of stalled cars. Somebody simply waited until it was too late to get prepared."

"Not so obvious, but just as frustrating, are cold or frosty mornings. Cars stall and traffic tieups result."

The chief emphasized that municipal vehicles undergo carefully planned maintenance check-ups well in advance of the first disabling winter weather. He offered some "go-power" suggestions, based on recommendations of the National Safety Council's committee on winter driving hazards which have been endorsed by the International Association of Chiefs of Police:

Well-Tuned Car

"Go-power in cold weather calls for a well-tuned car," according to Chief Veizer. "The car's points, plugs, timing and a waterproof electrical system must be backed up by a lively battery."

"Call on a professional mechanic. Have him also inspect over upcoming problems of keeping Granite City's emergency services operating efficiently during the winter months ahead."

"All lights should be working and headlights properly aimed. Wiper blades must be clean. They should be replaced with live rubber if they smear. Wiper arm pressure must be adequate to clear away snow and slush—the correct pressure is an ounce to the inch of blade length."

Good Tires Needed

The chief also advised that tires have good tread. He recommended snow or studded tires for added traction. "But tire chains give the maximum traction," he said. "See that they are the right size for your tires and replace any broken links."

The chief said go-power when the roads are slick depends on having emergency equipment in the trunk—booster cables, tow chains, flares or reflectors and a good set of reinforced tire chains.

"A shovel is a must," he said, "and sand or cinders, rock salt or traction mats will help you go out of an otherwise impossible spot."

"Keep scrapers, spray devices and clean rags in the car. Your go-power protects the city's power to maintain emergency services," Chief Veizer concluded. "You alone might be the difference between a simple emergency and a community disaster."

Clergy to Host New Teachers at Dinner Thursday

New teachers of Quad-City schools will be guests Thursday evening at the annual clergy-teachers banquet. The banquet is a yearly welcome to new teachers by pastors of the Ministerial Association with the help of congregations they serve.

The fifth annual dinner will be served by the United Presbyterian Women at the First United Presbyterian Church, Granite City, under the direction of Mrs. Walter Johnson.

Professor Norman C. Habel of Concordia Seminary, St. Louis, will be the speaker. Dr. Habel is an Australian who served a Brooklyn parish before becoming a professor. He is today "constantly striving to find new media to bring the Biblical message to today's people, especially to youth."

He has written a modern version of the church liturgy, and his modern religious musical, "For Mature Adults Only," was recently performed at Kiel Opera House.

Over 150 new teachers along with local school administrators and spouses have been invited to the banquet. Charles Swick will lead the New Life Singers of the First Assembly of God in rousing interludes for the banqueteers.

DR. NORMAN C. HABEL

Heading up the arrangements for the Ministerial Association are Rev. Wilbur Lear, who will be master-of-ceremonies for the evening, and Rev. Arvin Twine, pastor of St. Bartholomew's Episcopal Church and Concordia Lutheran Church, respectively.

Vandals Spray Paint

Vandals sprayed gold paint on the 1969 auto and on the front of the house, doors and windows at the home of Robert Fanning, 1741 Spring avenue, and over the 1968 auto and on the side of the home of Joann Wierfield, 1704 Spring avenue, after 5:30 p.m. Thursday, the victims reported.

Baldoni-Thomason Wedding Friday

Miss Gloria Jean Thomason and Edward Lewis Baldoni were married Friday evening in the home of the bride's parents, Mr. and Mrs. Jeff Thomason, Staunton, Ill., formerly of Granite City. The bridegroom is a son of Mr. and Mrs. Lewis Baldoni, Staunton.

Rev. Jerry Thomason of Trenton, Ky., a brother of the bride, officiated at the double-ring ceremony.

The bride, escorted by her father, wore a gown of silk organza trimmed with Chantilly lace appliques and seed pearls. The A-line skirt ended in a full sweep train and her veil was capped with silk roses.

Instead of the traditional bouquet, the bride carried a white Bible topped with orchids, stephanotis and a white ribbon streamer.

Miss Deborah Wallace of Granite City was maid of honor. She wore a street-length dress of red velvet with an Empire waist. Her flowers were pink and white mums.

The bride's niece, Sherri Thomason, was flower girl. Her dress was of pink velvet and she carried a basket of pink tipped mums.

Glen Herbach served as best man for Mr. Baldoni.

A program of wedding music was furnished by Miss Sherri Hutchins.

After the ceremony, a reception was held at the home.

When they return from a honeymoon in Chicago, the newlyweds will live in Bethalto.

1st Baptist WMS Elects Officers

The Women's Society of First Baptist Church in Madison met Thursday evening at the church and elected the following officers for the coming year.

Mrs. Gertrude McManaway, president; Miss Nora Rogers, secretary-treasurer; Mrs. Velma Rideout, study chairman; Mrs. Mary Link, activity chairman; and Mrs. Doris Macklin and Mrs. Norma Eaves, members of the fellowship committee.

Mrs. Link reported on the coming revival with cottage prayer meetings to be held in the homes. The Youth group will also participate in the meetings with members of the Missionary Society in charge.

A mission book, "The Sons of Ishmael," will be taught by Mrs. Ralph Yates for Second Baptist Church in Granite City and on Monday, Nov. 17, a pot luck dinner will be served at 6 o'clock.

The business meeting closed and the remainder of the evening was in charge of Mrs. Rideout, study program chairman. The topic of the lesson was "A Spark Catches Fire," and those taking part were Mrs. Link, Mrs. McManaway, Mrs. Eva Gilliam and Mrs. Jewell Ratliff. Nine members were present.

CHRISTENING DINNER AT SHAW HOME

Steven Eric Shaw, son of Sp/5 and Mrs. Robert Shaw Jr., 3125 Aubrey avenue, was christened at services held at St. Margaret Mary Church, Sunday, with Rev. Louis Schlangen officiating.

Godparents for the child were Mr. and Mrs. William Russell II, an uncle and aunt. The Shaw's entertained with a dinner party following the ceremony. Others present were Mr. and Mrs. William Russell, Mr. and Mrs. Robert Shaw and son, Tim, and Billy and Matthew Russell.

MR. AND MRS. DONALD R. WOFFORD. Their wedding took place Saturday at Second Baptist Church.

Miss Donna Kay Hutchings, Pfc Donald Wofford Wed

The wedding of Miss Donna Kay Hutchings, a daughter of Mr. and Mrs. Donald Hutchings, 214 Bryan avenue, and Pfc Donald Ray Wofford, son of Mr. and Mrs. Jack Wofford, 2106 Ohio avenue, took place Saturday evening at Second Baptist Church.

Burning candles in branched candelabra and an arch of candles before the altar, decorated with arrangements of white mums, pink gladioli and greenery, provided the setting for the 6 o'clock ceremony performed by Rev. Eugene Dutton.

Mrs. Norman Grois, a cousin of the bride, presided at the organ and accompanied the vocalist, Miss Letta Marmion, as she sang the Lord's Prayer, and "The Twelfth of November."

Mr. Hutchings gave his daughter in marriage. She wore a gown of pure white silk organza with a scalloped neckline and long tapered sleeves. Her dress of peau d'ange lace stitched with pearls and sequins trimmed the neckline, the sleeves and the skirt. A full length train fell from self-trimmed bows in a full sweep with large lace motifs. A forward bow headpiece with pearl trim held in place the bride's tiered veil of illusion. She carried an old-fashioned nosegay of white roses and ivy.

Mrs. Terry Valencia, a cousin of the bride, was matron of honor, and Mrs. Roger Conkley served as bridesmaid.

They were dressed alike in gowns of petal pink dotted swiss. The Empire bodice had square necklines and tiny cap sleeves. The back of the gowns had dotted swiss ruffles extending from the necklines to the bottom of the A-line skirts.

Veils were held in place with beau de soie bows and both carried balls of pink and white mums, ivy and pink ribbon.

Carla Brooks, a cousin of the bridegroom, and Barry Grote, the bride's cousin, served as flower girl and ring bearer. The former wore a pink dotted swiss dress with white lace trim and a deep rose velvet ribbon down the front. A white bow and tiny white rosebuds, were in her hair and she carried a basket of rose petals.

The bride's mother was attired in beige lace and dark brown accessories, while the bridegroom's mother chose a gold coat and dress ensemble and matching accessories. Both wore Tropicana rpe corsages.

Larry Wofford was best man for his brother, and Roger Conkley, Randy Bettorf and Charles Sampson served as groomsmen and ushers.

Gary Hutchings, brother of the bride, and Kenneth Brooks, the bridegroom's cousin, lighted

Manion-Hasty Engagement

Another of the recent engagement announcements is that of Miss Debra Ann Hasty, a daughter of Mr. and Mrs. William O. Hasty of Route Two, and Jack Eugene Manion Jr., whose parents are Mr. and Mrs. Jack E. Manion sr., 2408 Edwards street.

The bride-to-be is presently attending Granite City high school. Her fiancé is a graduate of local schools. Wedding plans were not announced.

MISS DEBRA ANN HASTY. Her engagement to Jack E. Manion Jr. is announced by her parents, Mr. and Mrs. William O. Hasty of Mitchell.

Long Council Inaction on Sound Engineering

Program Factor in City Financial Disaster

As industrial engineers employed in Granite City recommended to the city council, the municipality could have considerable money and do a better job by employing a full-time engineer. His salary would be smaller than the combined fees paid on city construction projects—and his work would enable Granite City to anticipate and avoid some problems rather than merely reacting to them after they occur.

The point is painfully obvious at a time when the city is spending many hundreds of dollars in the past who could have concentrated all of his thoughts and efforts on city facilities and services.

There is no way to avoid some expense resulting from the unfortunate sewer line collapses. But pumping and piecemeal remedies during a time of indecision add to the total financial burden, which inevitably must include certain repairs and replacements. Such indecision and delay stem directly from the lack of an engineer in the past who could have concentrated all of his thoughts and efforts on city facilities and services.

To prevent the sewer break financial disaster from becoming an even bigger disaster, employment of one of the four recommended nationally-recognized engineering firms seems advisable at this stage.

Employment of a city engineer then can follow an engineer who will work for the city, receive his salary only from the city, and devote his attention unwaveringly to the present and future needs and opportunities facing Granite City.

It is the council which has blocked this objective. The council must now "pick up the pieces" and restore a semblance of effective and efficient practices, or public dismay over the events of 1969 may, fairly, prompt replacement of the council with some other form of government.

"Politics as usual" has become too frustrating and costly to the public. It will have to be abandoned by its practitioners, or the public will abandon the practitioners.

Tax Reduction Along With Reform Would Be 'The Kindest Cut of All'

By ROBERT C. TYSON

Finance Committee Chairman, U. S. Steel Corp.

A tax cut for "the kindest cut of all." Proposals for both federal income tax relief and reform are currently being discussed. I believe that the most important long-range tax reform for the general well-being of both the public and private sectors of the economy is tax reduction.

Tax reduction pre-supposes expenditure control. No one is ever normally impelled to earn or produce anything by the knowledge that the fruits of his labor will be taxed away from him. A man may produce in spite of, but never because of, taxes.

Tax burdens have given rise to talk of tax rebellions, which have led to the proposed tax reform act of 1969, said to be the most sweeping reform measure since the federal income tax was started.

But the proposed bill would be detrimental to capital formation and economic development.

Proposed repeal of the Investment Tax Credit could well mean the end of the boom and an "underkill of inflation in the cost of facilities."

The bill would favor individual consumers at the expense of investing corporations. Ironically, to the extent that the tax cost of the bill's reforms is passed through higher prices, consumers would indirectly pay for their own "tax relief."

The proposed tax relief by 1972 would add up \$9 billion, for all individuals. But the tax reform by 1972 would add up to \$5 billion in partial payment of this tax relief.

All but about \$1.4 billion of this reform would come from corporations, according to official estimates. And the excess tax relief over tax reform threatens more inflationary federal deficits.

It may be recalled that Washington officials in a near-panic over a possible pending recession hurriedly turned on the turn-off Credit in early 1967, and we only experienced the "mini-recession" of that year.

However, in 1968 the Credit was merely suspended. Today, it is up and running again. It is the "boom" of this time, both in Washington and the business community had better worry about what would replace the Credit.

To solve this dilemma, I suggest an alternate tax treatment for the Senate to consider in lieu of repeal of the Investment Tax Credit.

This treatment might, at least in the short run, save the Treasury more revenue than outright repeal. This is true because, in the long run, the Treasury would have to create the very inequity that the Credit served to eliminate in the corporate tax system.

It is possible, however, that the Treasury might only be able to avoid by equivalent depreciation reform.

It has been reported that the Treasury is working on a study of possible equivalent depreciation reforms in lieu of the Credit.

In general, I hope that the thrust of these reforms provides greater flexibility to business so that, in each case, adequate capital recovery is assured.

In reviewing past attempts at tax reforms, it can be noted that more often than not the political solutions to economic problems. Thus, tax reform—under the pressure of burdensome rates—has become a never-ending game.

Plugging of so-called tax loopholes often results in increased taxes from another direction.

The best long-range way to avoid tax reduction. The mounting import situation, while serious, is by no means fatal. America can compete; it can develop further and further. But to do so it must get its economic—and governmental—house in order.

It must achieve competitive labor and competitive government.

United Fund Needs 19 Times as Much As a Single Agency Would Require

In deciding what to pledge or contribute to the local United Fund drive this fall, Quad-Cityans in effect will need to multiply by 19 what they might give if they were instead being contacted by a single agency.

United Fund resources are distributed according to a budget in which the needs have been thoroughly documented and in which spending is rigidly controlled. Every penny of every dollar goes to the intended use, and full value is received in the form of a healthy, wholesome, interesting and enjoyable community in which to live, work, shop and play.

The funds which are obtained now will be allocated during 1970 to continue the operation of the Boy Scouts and Girl Scouts, Teen Town, Protestant Welfare, Catholic Charities, USO, Red Cross, Association for the Retarded, Alcoholics Rehabilitation, American Social Health Association, Arthritis Foundation, Health Services Fund, YMCA, Coordinated Youth Services, Family Service Agency, Fraternal Society of Retired Members, Illinois Children's Home and Aid Society, Visiting Nurse Association and Salvation Army.

How much of a contribution is enough in order for the goal to be met?

Based on 52 weekly deductions, hourly employees are being urged to contribute according to the following schedule: hourly pay rate of less than \$2.50, 50 cents a week to the United Fund; \$2.50-\$4.99, 50 cents; \$5.00-\$7.49, \$1.00; \$7.50-\$9.99, \$1.50; \$10.00-\$12.49, \$2.00; \$12.50-\$14.99, \$2.50; \$15.00-\$17.49, \$3.00; \$17.50-\$19.99, \$3.50; \$20.00-\$22.49, \$4.00; \$22.50-\$24.99, \$4.50; \$25.00-\$27.49, \$5.00; \$27.50-\$29.99, \$5.50; \$30.00-\$32.49, \$6.00; \$32.50-\$34.99, \$6.50; \$35.00-\$37.49, \$7.00; \$37.50-\$39.99, \$7.50; \$40.00-\$42.49, \$8.00; \$42.50-\$44.99, \$8.50; \$45.00-\$47.49, \$9.00; \$47.50-\$49.99, \$9.50; \$50.00-\$52.49, \$10.00; \$52.50-\$54.99, \$10.50; \$55.00-\$57.49, \$11.00; \$57.50-\$59.99, \$11.50; \$60.00-\$62.49, \$12.00; \$62.50-\$64.99, \$12.50; \$65.00-\$67.49, \$13.00; \$67.50-\$69.99, \$13.50; \$70.00-\$72.49, \$14.00; \$72.50-\$74.99, \$14.50; \$75.00-\$77.49, \$15.00; \$77.50-\$79.99, \$15.50; \$80.00-\$82.49, \$16.00; \$82.50-\$84.99, \$16.50; \$85.00-\$87.49, \$17.00; \$87.50-\$89.99, \$17.50; \$90.00-\$92.49, \$18.00; \$92.50-\$94.99, \$18.50; \$95.00-\$97.49, \$19.00; \$97.50-\$99.99, \$19.50; \$100.00 and over, \$20.00.

Tests Probably Will Show That Many Foods Are Hazardous If Eaten in Large Amounts

We have no argument with the specific order removing cyclamate from foods and drinks, although it may become a bit more difficult for those with diabetes, heart and circulatory ailments to find the kind of diet food they need to maintain their health. The public climate is such that federal action was unavoidable once the potential cancer link was disclosed.

We think there should be wide awareness, however, that the animal tests which placed the artificial sweetener under suspicion involved heavy dosages, much more than could normally or easily be eaten.

An authority on the subject has told us that he doubts that sugar will be approved if tested under procedures permitting almost unlimited amounts to be consumed. Undoubtedly, a large number of food items could cause body imbalances and health problems if used to excess.

Wise men have counseled that moderation is a sound policy in almost all endeavors. We suspect that each of us in our visits to the dining table ought to heed the same warning that has been applied to smoking: "Caution. May be hazardous to health."

SIX DAYS, EVENINGS ENOUGH FOR SHOPPERS

To the Editor: With great disgust I read the advertisements, "What is open on Sundays." What is this world coming to when it's time to open on Sundays for people to do their grocery shopping?

These days, when we are so busy, it is not enough for a good time, more as they like to go, say, to a picture show, picnic, boat ride, fishing, hunting, church—what ever they like.

"We all like something in the recreation line—takes us away from our business and worries for a couple of hours. Come back next morning—feel like a new person, have a smile on their face, and they are back to work."

"They never think about the businessman who would like to get a good rest, a good time, more as they like to go, say, to a picture show, picnic, boat ride, fishing, hunting, church—what ever they like."

Science Fiction in Field of Crime Fighting Becoming Fact Thanks to Sophisticated Devices, Chemicals

(American Chemical Society)

A new arsenal of weapons is being deployed to escalate the battle against crime. The recently more complex instruments and procedures used by crime laboratories in identifying and analyzing tiny bits of material collected and used as criminal evidence.

Forensic scientists are the people who can match threads, hair or blood of the accused with that found at the scene of the crime or bullets fired from the suspect's gun with the murder bullets.

They can analyze blood to find out if there is poison present, or read notes on paper after it has been burned or serial numbers that have been filed in guns or automobiles.

Easy-to-use instruments and fast communication will permit law enforcement officers to find out if a fleet of automobiles and compare the results with FBI records to find the car's make, model and year.

Estimates of the cost of crime to U.S. taxpayers range up to \$31 billion annually.

Private costs related to crime—such as protection, insurance and alarm devices—cost \$2 billion per year.

Millions of tax dollars are used to pay the costs of maintaining and operating police departments, correctional institutions, prisons, mountains of records and files, and the courts, judges and justice.

This specialized field of science is not at all a new science. It is one of the few universities offer courses or degrees in the subject. But it is becoming increasingly important.

Everyone knows that the crime rate is soaring, and not very many people know what to do about it. Advances in understanding urban and social problems are expected to contribute to crime prevention. New technologies will have to be perfected before we can hope to bring about its control.

Advances in forensic chemistry will clearly serve as an important deterrent to the expanding world of crime.

A well-equipped arson team can move in and identify the kind and brand of material or solvent used to start the fire.

A case is known where it was found that a person had been burned out of a car or stuck to the surfaces of charred materials nearby long after the fire had been put out.

7 Elected to Operate Executive Branch of Illinois Government

(Part of a Press-Record series on the Illinois Constitution, subject of a convention which will begin Dec. 6.)

The Illinois Constitution currently in effect, adopted in 1870 calls for a state government executive department consisting of seven elected officials.

A governor, lieutenant governor, secretary of state, auditor of public accounts, treasurer, superintendent of public instruction and attorney general hold office for four-year terms.

Except for the lieutenant governor, they are required to reside at the seat of government, Springfield, during their term of office and keep the public records, books and papers there.

The Constitution prevents a state treasurer, upon completing his term, from seeking the same office for a period of four years. He can be required by the governor to accept additional security; when he is in default of doing so, his office is deemed vacant.

Five of the seven officials are elected quadrennially in a cycle including 1988 and 1992. The superintendent of public instruction and state treasurer run two years before and will next be chosen in 1970.

Returns of their election are sealed and transmitted to the secretary of state. The speaker of the Illinois House, opens and publishes the returns in the presence of a majority of each house of the General Assembly, assembled in the House of Representatives.

If there is a tie vote for one of the seven officials, the legislators by joint ballot are to choose one of those tied for the office. Contested elections are decided by both houses, through a joint ballot.

A governor or lieutenant governor must be at least 30 years old and have been a U.S. and Illinois citizen for at least five years next preceding the election.

Six of the seven state officials are ineligible for any other office during the period for which they have been elected. The state treasurer is not included in this enumeration.

Supreme executive power is vested in the governor, who is obligated to see that the laws are faithfully executed.

He is required at the start of each legislative session and at the end of his term to present a message to the General Assembly on the condition of the state, recommending measures he deems expedient.

He must account for money received and paid out by him from any funds subject to his order, with vouchers. He must present to the Assembly estimates of the amount of revenue required to be raised by taxation for all purposes.

He is empowered to call special legislative sessions on extraordinary occasions, stating the purpose. The Assembly is limited at such sessions to the topics included in his proclamation.

In case of a disagreement between the two houses regarding the time of adjournment, the governor may adjourn the Assembly upon the disagreement being certified to him by the house first moving the adjournment. He can adjourn the legislature until such time as he thinks proper, but not beyond the first day of the next regular session.

The Constitution relates that "the governor shall nominate and, by and with the consent of the Senate (a majority of all the senators elected concurring, by yeas and nays), appoint all officers whose offices are established by this Constitution, or which may be created by law, and whose appointment or election is otherwise provided for. And no officer shall be appointed or elected by the General Assembly."

In case of vacancies, the governor is to make temporary appointments until the next meeting of the Senate, when he is to nominate someone to fill the office. No one is to be nominated for a fixed time, with a successor elected or appointed.

Mrs. W. C. McFarland of Third street, Madison, had as her guest Mrs. Etta Hargard of Oklahoma City. It was the first time the two had seen each other in 39 years.

Need Program for Re-Use of Land

(Granite City Long-Range Plan)

In Granite City, only 13% of gram for the re-use of land. The land is undeveloped. Granite City increased the total area of the community by about 28% through annexation between 1958 and 1967, most of the annexation occurring in the area east of Namoki road.

Another large tract of undeveloped land is located south of Pontoon road and the railroad tracks, and it appears that the city will develop primarily in residential use.

Granite City will, in all probability, be unable to add substantially to its present population by developing vacant land. The present limits of the city for residential development. The city will have to annex in order to provide the land needed to meet increasing demands. The municipality also will have to have an effective program.

Army Seeks Applicants For Nursing Program

Sgt. Morris L. Cook, local U. S. Army recruiter said today the Army is seeking qualified applicants to submit an application for the Walter Reed Army Institute of Nursing Program.

Sgt. Cook said that in the full four-year program, successful students received a Bachelor of Science in Nursing degree. The choice of college or university may be made by the applicant for the first two years and the remaining two years must be spent at the University of Maryland School of Nursing.

After being graduated from the University of Maryland School of Nursing and after having satisfactorily completed the examination for state license for registered nurses, the Army Nurse Corps-Candidate is given an appointment in the grade of second lieutenant in the Army Nurse Corps, with the obligation to serve on active duty for three years.

Sgt. Cook commented, "This is an outstanding opportunity for high school seniors and graduates with high scholastic standing to receive a college degree in nursing fully paid for by the U. S. Army." Interested applicants may contact Sgt. Cook at 1206 Niedringhaus avenue, or telephone him at 576-5860 for an appointment or further information.

Sewer Funds Have \$1.2 Million Balance

Granite City's nine separate sewer accounts have had total income of \$5,550,875 and still carrying varying balances aggregating \$1,221,208, according to an updated report on the status of the sewer accounts.

The reports, signed jointly by Treasurer E. R. "Pat" Rich and Comptroller R. E. Stevens, also shows transfers totaling \$148,259 from four of the accounts to a newly established Operation-Maintenance and Repair-Replacement fund. The transferred funds have been used during the past two months to finance repair of sewer breaks in the Nameoki sewer area.

City officials are seeking legal determination of a proposal to use part of the remaining balances of the sewer funds for meeting cost of sewer repairs that now exceed \$537,000. The 1969-70 appropriation sets up a limited expenditure of \$60,000 for sewer maintenance work.

Spend \$7,361,664
The sewer account reports show that expenditures out of all accounts total \$7,361,664. Both income and expense figures listed in the report include receipts of all types, including bond issues for construction, and expenses for all purposes, including sewer construction and installation costs.

The report shows that all income of the Nameoki Area Sewerage account has amounted to \$1,262,123, of which \$1,086,544 represents rental fee collections. Expenditures from this fund total \$1,090,128, including \$689,763 in interest costs and \$274,000 in bond redemptions.

The sum of \$24,000 also was transferred from this account

to the new maintenance-repair fund. Balance in the account as of Sept. 30 was \$300,995.

In the Nameoki Area-Sewer Lines Reserve Fund, the report shows, a total income has amounted to \$109,611, with no expenditures. Of the total balance of \$190,611 in this fund, \$17,000 is in certificates of deposit.

Has Small Balance

The special sewer construction fund has had total receipts of \$124,656, with expenditures of \$123,189 which included a transfer of \$23,259 to the new maintenance-replacement fund, the report shows. Balance in this fund is \$1487.

Particular Area No. 2 Sewerage Fund has had total revenue of \$329,908 and disbursements of \$236,380, leaving a balance of \$93,528. A transfer of \$3000 to the maintenance-replacement fund also was made in this account, according to the report. Largest transfer to the new sewer repair fund was made out of the Sewer Extension Fund account which has had total revenue of \$402,017 and expenditures of \$380,639 which includes the \$98,000 transfer. The account now has a balance of \$11,378.

Cost Includes Salaries

The Sewage Treatment Plant Fund income totals \$1,033,179, of which \$698,382 has been in service charges. Expenses have totaled \$665,676, leaving a balance of \$367,502. Expenses out of this account show bond redemption costs of \$75,000, interest payments of \$138,562 and salaries for plant operation amounting to \$303,743.

The Sewage Treatment Plant Construction fund has had total revenue of \$1,711,572 which included \$1,225,000 from sale of bonds, \$427,365 in federal aid and the balance in earned interest.

Expenditures from this fund total \$1,598,067 including \$1,280,359 for construction cost of the treatment plant, leaving a balance of \$113,454.

Income From Bonds

Total income of the Particular Area No. 3 Construction Fund account which involves funds for the city's most recent installation of stormwater and sanitary sewers has amounted to \$3,414,960. The total includes \$2,005,000 from sale of bonds and two federal grants of \$985,000 and \$365,000.

Disbursements from this fund include \$3,646,584 for construction and related expense on building the new stormwater drainage system, and \$239,021 for new sanitary sewers, a total outgo of \$3,885,605. This leaves a current fund balance of \$127,354.

E-W Gateway Board To Elect Officers

Election of a chairman and vice-chairman for the 1970-71 biennium is scheduled at a meeting of the East-West Gateway Coordinating Council in the East St. Louis city hall at 3 p.m. Wednesday.

The two officers are elected to two-year terms under the council by-laws, and must be from different states. Alvin C. Fields, mayor of East St. Louis, now is chairman of the council and Mayor A. L. Cervantes of St. Louis is vice-chairman.

The chairman and vice-chairman of the board of directors also serve as chairman and vice-chairman of the council. The board appoints a treasurer and the chairman of the board appoints a secretary.

The council also is scheduled Wednesday to consider a proposal by Bi-State Transit System for purchase of new buses to serve the Illinois area of the establishment before his auto collided with a road barrier, causing a serious injury and loss of support.

New License Requirement Ups Examinations by 80%

The requirement that became effective early this year that all of the approximately 6.5 million drivers in Illinois be examined within a nine-year period has increased the workload of the secretary of state's auto license division by about 700,000 examinations a year, or about 80%, according to a report by Secretary of State Paul Powell.

"Not only the driver's with bad records are being called for examination at the early part of this program, as some with good records must also be called to enable us to examine all drivers in the nine-year period," Powell said.

Another significant change in driver licensing is the notification now sent to all drivers more than 30 days prior to the expiration of their licenses, a move which has increased state revenue by \$600,000 a year, Powell said.

He pointed out his office now

issues different color driver licenses for minors and adults, which is a protection to the legitimate tavern owners and will prevent many minors from being sold alcoholic beverages by showing an altered driver's license.

There are two other changes in the law affecting driving by minors, he said. One requires young people 16 and 17 years old to have passed an approved

JOINT BIRTHDAY PARTY

Mr. and Mrs. Kenny White of Kaseberg lake entertained Saturday with a double birthday party for Sharon White, 11, and Freddie White, four years old.

Present were Bobby Bennett Jr., Jeffrey Bennett, Jerry Bennett Jr., Jerry Leibold Jr., Susan and Lisa Gifford, Patty and Susan Leibold, Susan Warren and Christy White, Mrs. Rose Leibold and Mrs. Faye Bennett. The table centerpiece was a birthday cake. The honorees received many gifts.

POLICE AUXILIARY WILL CONDUCT DANCE

The Pontoon Beach Police Auxiliary met Thursday evening at the home of Mrs. Sharon Littlejohn of Lakeview Estates, with President Faye Bennett in charge.

Plans were made for a dance in early December, and Teen Town reports were given. Attending were Mesdames Tillie White, Rosemary McBride, Portia Denham, Caroline Bennett, Mary Simpson, Nora Burch and Dell Whitsell.

Brownie Troop 483 will hold an investiture Thursday at Stallings school.

TROOP INVESTITURE

Brownie Troop 548 held an investiture ceremony and celebrated the troop birthday Thursday at Maryville school. Leaders in charge were Mrs. Beal and Mrs. Hefner.

Brownie pins were awarded to Teresa Alonzo, Kimberly Smothers and Sandra Spurbuck. Year pins were awarded to Cindy Baker, Pam Beal, Connie Cook, Becky Crews, Theresa McCluskey, Marsha Stagner, Becky Heffer, Kathy Stout, Pam Warren and Christine Wilkinson.

All received World Association pins. The girls served refreshments to their parents.

TOUR PUMPKIN FARM

Brownie Troop 254 met Thursday at the home of the leader, Mrs. Margaret Peller, 429 Margold drive, and then toured a pumpkin farm. Each girl made a jack-o'-lantern, and a costume Halloween party was planned for Oct. 20.

Admitted After Fall

Mrs. Mary Reiske, 87, of 2421 Anchorage Homes, was admitted at St. Elizabeth Hospital at 1 p.m. Saturday, after she fell outside her home while walking across the street to a mailbox. She sustained abrasions to the left hip and arm and underwent x-rays of the left arm, pelvis and left hip.

HALLOWEEN PARTY FOR CUB PACK 141

Cub Pack 141 was feted at a Halloween party Wednesday night. Witches, goblins, robots, bums and pirates appeared at the Cub Pack 141 meeting at Mitchell school.

The cubs and their families entered the gym through a tunnel that added to the Halloween spirit. The meeting was conducted by Cubmaster Russell Edwards.

Mrs. Pat Polley's Den One conducted the opening ceremony. Edwards presented bobcat pins to Daniel Fuhrman, Daniel Shofner, Mark Churchill, Elmer Monroe, Scott Matz, Roney Pearson and Paul Hall. Scott Stone also has earned his bobcat pin.

Russell P. Edwards received a gold arrow Webelos activity badge were awarded to Mark Starling, Chris Sumpter, Kenneth Milken, David Marshall, Larry Bloyd, Robert Gay and Eddie Damrath, athletes; Mark Presley, outdoorsman, scholar, and athlete; Eric Theokle, artist and athlete; David Young, sportsman and athlete; and Mike Norby, citizenship and athlete.

Year pins were presented to Jeff Gibson, Mark Theokle, Michael Johns, David Jordan, Roger Mosser, Alan Damrath, Donald Kauble, Terry Schultz, Clifford Stefanoff and Kenneth Nixen.

Two-year pins were awarded to Russell Edwards, John Moore, Eric Theokle, Chris Sumpter, Mark Starling, David Young, Eddie Damrath, Mike Norby, Robert Gay and David Marshall.

Prizes were awarded for the costumes. Best dressed was Billy Polley; Roger Mosser was the most comical and Russell Edwards the most original.

Boy Scouts of Troop 41 were guests and Scout Darrell Halde-man received a prize. Fred Halde-man received the club prize.

A sack of treats was presented to each child who attended the party.

Refreshments were supplied by Mrs. Yvonne Matlock's Den Two and Bill Theokle's Webelos Den One. Mrs. Arlene Edwards' Den Five led the closing ceremony. The committee will meet at 7 p.m. Wednesday, Nov. 5, with Mr. and Mrs. Tony Ybarra of Old Alton road.

GIRL SCOUTS HOLD TEA

County Citizens Urge Anti-Pollution Action

Citizens for Clean Air in Madison county made plans to picket a U. S. Senate subcommittee hearing today in St. Louis on air and water pollution. The signs protested air pollution and the existing air purity safeguards and called for immediate remedies.

Also dramatizing anti-pollution views were members of the Coalition for Environment. Senator Thomas F. Eagleton, Missouri Democrat, presided at the hearing, which dealt with the alert warning system for such air pollution episodes as occurred in St. Louis in late August. About 25 witnesses, including government officials, were present testimony.

Four New Positions At Union Division Here

Promotions of four men to newly created positions as regional sales managers for the corn syrup, citric acid and caramel color product lines of Miles Laboratories Inc., Union Division, were announced here today by J. A. McLean, national sales manager.

Harry C. Weist, headquartered in New York, will cover the northeastern portion of the country and Kent D. Arrowsmith will handle the southeast with headquarters in Atlanta.

John M. Sutton will be responsible for the Midwest from Chicago headquarters and William C. Sharp will cover the west out of Los Angeles. Weist and Arrowsmith will report to J. M. Ferguson and Sutton and Sharp will report to W. W. Biswell.

Formerly a sales manager and technical sales representative with the Union Division and general manager of Division, Weist previously served in sales capacities with C. P. Ball Co., the Borden Co. and Beatrice Foods before joining Miles. He is a University of Illinois graduate and a member of the Institute of Food Technologists.

Mrs. Wischnick, 57, Former Resident, Dies

Mrs. Mary Wischnick, 57, of Collinsville, a former local Lucas Wischnick of Granite City, died at 12:05 this morning of an apparent heart attack in Flagstaff, Ariz., while vacationing there with her husband.

Born in East St. Louis, she had lived in Granite City for ten years prior to moving to Collinsville in 1959.

Mrs. Wischnick was a member of the Catholic faith and the National Ladies Aid Society and the Cahokia Nature League.

Surviving are her husband, Lucas Wischnick, a 42-year employee of the East St. Louis & Interurban Railway Co., working at the Granite City office; another son, Steve Wischnick of San Diego, Calif., and a daughter, Mrs. Beverly Mizelski of Collinsville; four brothers, Frank, Joseph and Steve Warzola, all of East St. Louis, and John Warzola of Collinsville; two sisters, Miss Stella Warzola and Miss Josephine Warzola, both of East St. Louis; and six grandchildren.

Funeral arrangements are pending at a Collinsville funeral home.

Trick or Treaters Asked to Be Careful at Night

Night is the traditional time for trick-or-treaters to celebrate Halloween.

Darkness adds just the right amount of mystery and fright to make the door-to-door trek exciting. Under the shadows of darkness the ordinary tree on the corner becomes an eerie presence. Darkness also makes everything less visible — curbs, steps, holes and children.

The Illinois Optometric Association warns that Halloween poses two areas of concern: the child's ability to see and his ability to be seen. The child's costume is one of the major ingredients to ensure better vision for both child and

Optometric association advises. When selecting a costume driver's vision is restricted at night, parents should encourage their children to wear light-colored costumes. This makes them more visible to passing motorists when they are walking in a street or road in neighborhoods where there are no sidewalks.

A recent optometric study demonstrated that white fabric is safely visible to a driver traveling up to a speed of 50 mph. So the white-sheeted ghost is the most visible costume and also the safest if the eyes do not block the ghost's vision.

Well-fitting masks, light-colored costumes, flashlights, yard lights and extreme caution on the part of both children and motorists will make a safer Halloween, the Optometric association says.

Two of the bills, which drew sharp criticism from Democrats, provide funds and procedures for refunds under the state income tax act.

A third measure clarified the Illinois Election Code to give the Secretary of State power to determine in certain instances the order in which candidates may file nominating petitions.

The bill appropriated an additional \$15 million to reimburse local officials for expenses of electing delegates to the state constitutional convention.

Accidentally Shot

While Walking Dog

Beverly Martin, 23, San Diego, Calif., was wounded in the neck Sunday afternoon when a gun she told deputies she always carries accidentally discharged.

Deputies said the woman told them she was walking her dog on Lake drive near Pontiac Beach when the gun was discharged. She was taken to St. Elizabeth Hospital for treatment.

According to deputies the wound was not serious and the Martin woman was in fair condition today. She told officers she is an entertainer and was visiting in the area while en route to a new engagement in Covington, Ky.

Park's Craft Program

Attracts 60 Pupils

Mrs. Rosemary Lindner, instructor of the Christmas crafts program sponsored by the Granite City park district, said today that additional space will be allocated this Wednesday evening at the community center, where an overflow crowd of more than 60 persons attended the initial session last week.

This year's expanded crafts program includes six classes from 7 to 9 p.m. each Wednesday. Additional materials for those taking part in the course also have been ordered, Mrs. Lindner said.

This week's session will focus on various centerpiece arrangements, the instructor said.

Tony Halovich, 86, formerly of 806 Grand avenue, died Saturday afternoon at the Rockwood Nursing Home in Troy, where he had been a resident for several years. There are no known relatives.

He is a native of Yugoslavia. Funeral arrangements are incomplete. Further information is given in today's obituary column.

Arrested After Crash

James E. Kueker, 22, of 2105 Mainly avenue, was charged with leaving the scene of a collision at 2:40 p.m. Saturday at the Maryland Plaza parking lot. Police said the right front of the westbound auto of Harold Curtis, 144 Big Four Place, Midvale, who was leaving the parking lot to enter an alley, hit the left rear door of the Kueker car, southbound on the alley.

Owner Sees Car Hit

An auto owned by Carla Jacobsen, 2508 Kirkpatrick Homes, parked in the Plaza shopping center, was damaged Saturday when a truck owned by the driver who failed to stop though hailed by the Jacobsen woman, was struck and damaged by the driver through a window, at 12:30 a.m. today. Police are investigating.

Close Choral Society

Membership Tomorrow

Membership in the SIU-SW Community Choral Society will be closed for this quarter following tomorrow evening's rehearsal, according to Fred Leonard Vancamp, SIU-SW director of choral activities.

The choral society is now rehearsing Vivaldi's Chamber Mass, which will perform Dec. 7 with the SIU-SW orchestra.

We have some of the best voices the group has ever had," Vancamp reports, "but membership is still open to any metropolitan area singer who enjoys performing great choral music and is willing to attend rehearsals."

Rehearsals are from 7:30 to 9:30 p.m. each Tuesday in Room 1402 of the Peck Classroom Building. Dues are \$4 per season and members purchase their own scores, which will be available at the Tuesday rehearsal.

The Community Choral Society is sponsored by the Department of the Fine Arts Division.

Rose Bowl Picnickers

Starke Lunch Crowd

The busy, but subdued atmosphere of the Rose Bowl restaurant was shattered somewhat at noon today when about 50 lunchtime diners were startled by the appearance of a trio of picnickers, who nonchalantly unpacked their lunches from paper sacks, sat on the carpeted floor and began to consume sandwiches, potato chips and other picnic fare.

Police said the all Granite Cityans enrolled in sociology courses at SIU-SW, was conducting an experiment on the term "picnic" by observing an abnormal situation.

We have received a lot of necks, so far," Phil Karandeff said about 12:15 p.m., "but no one has tried to throw us out yet." The picnickers were the Mercer and Lahey funeral homes and Sparks's service station.

Initially questioned Friday, Karandeff allegedly sought contributions for a union which he did not authorize the solicitation.

3 Deceptive Practice

Charges Against Man

Ronald Arthur Garza, 29, Manchester, Mo., was booked by Granite City police at 10:45 a.m. Saturday on three warrants charging deceptive practices. Complainers were the Mercer and Lahey funeral homes and Sparks's service station.

Garza was charged with improper lane usage at 7:30 p.m. Sunday at Madison and Niedringhaus avenues. He is to appear by Nov. 4.

Driving Charge

Raymond N. White of Mattoon, Ill., was charged with improper lane usage at 7:30 p.m. yesterday at Madison and Niedringhaus avenues. He is to appear for a hearing by Nov. 23.

Signal Change

Mark E. Mathews of 2427 Illinois avenue was ticketed on a charge of running a red traffic light at Madison and Niedringhaus avenues at 5 p.m. Sunday. He is to appear by Nov. 4.

Fire Guts Old Main Street

Building in Venice

Fire of undetermined origin gutted the vacant, two-story building at 900 Main street, Venice, Sunday afternoon. Firemen said there was no loss since the building had been condemned and was to be torn down. Firemen were called at 4:27 p.m. and were at the scene nearly an hour.

Fireman Charles Burger suffered a hand laceration on the broken door glass, police report. Venice firemen also were called at 10:45 a.m. yesterday to a grass fire on county road. They were at the scene 20 minutes. There was no damage.

Car Sideswipes Second

Vehicle on Nameoki

Police said the second car on Nameoki road near Jill avenue at 5:45 a.m. Sunday, an auto driven by Donna R. Summers, Rural Route 2, was sideswiped by another vehicle which cut sharply from one lane to another.

Police said the second car, which failed to stop following the collision, was traced by a license number to a resident in the 2000 block of East 43rd street. Damage to the right side of the Summers auto was reported.

Collide in Madison

Cars driven by John C. Scott, East St. Louis, and Tom Lee Triplett, St. Louis, were damaged about 11:15 p.m. Saturday in a collision at Broadway and the Lincoln cutoff in Venice, police reported. Scott was headed east on Broadway and turning right into the cutoff when the mishap occurred, officers said.

Scott's car was damaged on the right side and Triplett's in the left front.

Strikes Parked Car

James R. Grady, 2940 Marsha avenue, told police at 8:10 p.m. Sunday that an oncoming vehicle forced his auto over the curb at Leonard and Buxton avenues where he sideswiped a parked car owned by Donald Kinworthy, 3001 Buxton avenue. Minor damage was inflicted to both vehicles.

Signal Change

Mark E. Mathews of 2427 Illinois avenue was ticketed on a charge of running a red traffic light at Madison and Niedringhaus avenues at 5 p.m. Sunday. He is to appear by Nov. 4.

Driving Charge

Raymond N. White of Mattoon, Ill., was charged with improper lane usage at 7:30 p.m. yesterday at Madison and Niedringhaus avenues. He is to appear for a hearing by Nov. 23.

Ombudsman Is Woman In SIU-SW Division

Southern Illinois University's Humanities Division at the Southern campus has elected one of its faculty members as its ombudsman. She is Mrs. Fritz (Gertrude) Marti, French lecturer.

Action of the Humanities faculty grew out of a discussion last spring on the student-faculty communication problem brought on by the increase in enrollment.

As ombudsman, Mrs. Marti says she doesn't hope to solve any problems herself. "I shall simply try to indicate the direction which I believe should be taken and follow up to see the results."

Mrs. Marti pointed out that a student is often reluctant to go to the dean if a faculty member is causing him difficulty or to go to the top officer of an area he feels isn't functioning as it should. On the other hand, she said, often individuals and organizational units within the division are not aware that problems exist.

"I will in no way assume the tasks of existing officials," she explained. "My job will be to bring to their attention faulty application of regulations, the need for reinterpretation of regulation, the advisability of reconsideration of a specific problem, etc. In addition to helping students - faculty rapport, I'll try to help students with such problems as personal relations with instructors, correction of records and attitudes, reports and interpretation of regulations."

Mrs. Marti is well qualified for her additional assignment, according to Prof. G. William Linden, acting dean of the Humanities Division. "She has successfully raised six children of her own and for a number of years was head of a boarding school which she and her husband owned and operated in Dayton, O."

Mrs. Marti received her master's degree in French from Western Reserve University in Cleveland. She also holds a teaching certificate in piano from the Cornish School of Music and one in eurythmics from the Institut Jaques-Dillcroze in Geneva, Switzerland.

U.S. Car Makers Named in Suit Filed by Scott

A suit to force major automobile bus and truck manufacturers of the United States to install anti-pollution devices on all motor vehicles sold or delivered in Illinois was filed in U.S. district court at Chicago Thursday by Illinois Attorney William J. Scott.

The petition, an anti-trust proceeding, alleges the car makers and bus and truck manufacturers have conspired to obstruct development and manufacture of vehicle anti-pollution devices.

Named as defendants are General Motors Corp., Ford Motor Co., Chrysler Corp., Automobile Manufacturers Association, Inc., American Motors Corp., Checker Motor Corp., International Harvester Co., Kaiser Jeep Corp., Mack Trucks, Inc., Studebaker Corp. and White Motor Corp.

In Second Suit
Four of the auto firms named in Scott's suit and the manufacturers association also are defendants in an anti-trust federal action in California.

Scott said he plans to appear personally in the U.S. district court in Los Angeles tomorrow to ask the court to impound the evidence collected during a four-year federal investigation of an alleged conspiracy by the defendants to obstruct development of anti-pollution devices. His purpose is to see that evidence and records are not turned back to the auto companies, since destroyed, but are made available for use in the Illinois case.

The attorney general said a federal survey shows that motor vehicles account for 60% of the air pollution and that he therefore considers his suit one of the most important actions taken by his office in the anti-pollution fight.

Create Atmospheric Sewer
There are more than four million cars and 600,000 trucks and buses in Illinois pouring unburned hydrocarbons, monoxide, oxides of nitrogen, tetraethyl lead and cancer-causing nickel additives into our air creating an atmospheric sewer," Scott said.

In addition to asking that the anti-pollution devices be installed on all new motor vehicles at the defendants' expense, Scott asked that the auto manufacturers be compelled to install such devices on all motor vehicles licensed to Illinois residents and manufactured by the defendants during the period of the alleged conspiracy which he alleges began in 1933, also at the manufacturers' expense.

Car, Truck Hit in Yard

An auto driven by Charles M. Curtis, 3555 S. 11th Ave., went out of control, jumped the curb and struck an auto owned by Albert Buckingham, 2808 Cayuse street, which was parked in his yard at 1:50 p.m. Thursday. The parked car then struck a parked pickup truck in the yard before hitting a fence. Curtis was charged with careless driving.

Heart Association Program

Optimist Club Hears Talk By 'Miss Iowa of 1965'

A young woman who was doomed as a child to spend a short life as a semi-invalid, but went on to become a Miss America candidate, discussed events that changed her life while urging Granite City Optimist support programs of the Illinois Heart Association.

Mrs. Marie (Mushro) Jones, a field director-at-large with the Illinois Heart Association, assigned to the state office in Springfield, was guest speaker Thursday at the Optimist luncheon meeting in the Rose Bowl restaurant.

She is a former Miss Iowa, having competed for the title of Miss America in 1965, the same year Miss Kathy Oros of Granite City represented the state of Illinois.

Mrs. Jones was awarded the "Miss Congeniality" title in the 1965 pageant and was named the "Most Talented Dancer" which gained her enough money in scholarships to finance her college education.

In 1966, she was asked to return to the Miss America Pageant to perform in the televised show and was presented the Heart and Torch Award as the person in the entertainment world who contributed the most to the fight against cardiovascular disease.

Born in 1945 with two dimpled legs between the shoulders of her heart, Mrs. Jones' condition was considered hopeless since surgery indicated her heart had never been performed at that time.

Despite excellent medical care, her life expectancy was minimal, even as a semi-invalid. In 1969, the newly-developed heart-lung machine sustained her life for 28 minutes while surgeons repaired the defects inside her heart. She quickly gained weight, started living a normal life and winning beauty and talent events. In succession she was elected "Sioux City Junior Miss," "Miss Sioux City" and "Miss Iowa."

Mrs. Jones determined never to let an opportunity pass to advance the fight against heart and blood vessel disease and during personal appearances as Miss Iowa she often spoke four times a day for the heart cause. She has now made hundreds of appearances in many states for the Heart Association. In 1967, Mrs. Lyndon B. Johnson conferred upon Mrs. Jones the nation's outstanding Heart Fund Volunteer award in a ceremony at the White House. The same year, her life story was published in "Mademoiselle" magazine while she was participating in summer stock theater at the Black Hills Playhouse in South Dakota.

A talented dancer and amateur actress, the Illinois Heart Association spokeswoman is a graduate of the University of South Dakota, where she received a fine arts degree in speech and drama. She was named a member of "Who's Who in American Colleges and Universities" and one of the Most Outstanding Young Women in America.

Last April 12, the former beauty-talent contestant was married to Lucian Jones of Aberdeen, S. D., a young man she met while attending university. The couple resides in Springfield.

In addition to speaking engagements at civic and service groups throughout the state, Mrs. Jones is especially fond of paying visits to children awaiting heart surgery and has traveled thousands of miles to make these calls.

She urged local Optimist club members to volunteer their services to the Heart Association stressing, however, "Don't just sign up to get your name on a list. Sign up and let us know what your specific interest is so we can assign you to that area of service."

Mrs. Jones said in the midst of the greatest abundance this country has ever known, Americans are faced with a baffling health problem - over 500,000 heart attacks each year. Many thousands of the victims are among people in the prime of life and growing indications are that heart disease may be a "disease of prosperity," she said.

Studies by scientists show that those who had heart attacks had one or more of the following conditions or living habits - high levels of cholesterol or other fatty substances in the blood, overweight, high blood pressure, lack of exercise, cigarette smoking, diabetes or family history of heart attacks in middle age - Mrs. Jones advised.

The guest speaker was introduced by E. E. Veith program chairman, John L. McDonald, Optimist president, conducted the business meeting, during which plans were announced for a club-sponsored drivers training course, to be offered to the public.

Thirty members attended the luncheon.

Five Arrested For Throwing Beer Cans

Four Brooklyn residents and one Venice youth were arrested by Venice police at 11:30 p.m. Friday after a motorist reported his car had been pelted with beer cans from a moving auto at Broadway and McKinley street.

The motorist, William Ford, Montgomery City, Md., said his car was struck with the beer cans as he was driving west on Broadway. He gave police a license number which he obtained during the incident.

Cruising police saw the suspected car a few minutes later, headed south on Klein street. Officers reported that as they overtook the auto, a sack of canned beer was thrown from it. Joseph Henry, 21, Brooklyn, was booked on a charge of illegal transportation of liquor. Jeffrey Graham, 17, Harry Sanford, 20, and Larry Shelby, 17, all of Brooklyn, and Roland Owens, 18, of 158 North Fifth street, Venice (at city line near Brooklyn), were charged with disorderly conduct.
